

THE SUN'S LUCKY BUCKS

A Treasure Hunt for
10 Lucky Dollar Bills
Each week, that pays off in
CASH AWARDS

HERE ARE THE RULES:

1. For the next few weeks, The SUN will publish serial numbers taken from one dollar bills. Persons having actual possession of these "Lucky Bucks" can turn them in for cash ranging from \$5 to \$25.
2. The bills whose numbers are published will have been placed in circulation in this area prior to publication.
3. If you have in your possession a dollar bill bearing the serial number published in The SUN, phone Yellowstone 4-6777, Lafayette 4444 or Orinda 2902 and arrange to receive your reward.
4. It is not necessary to buy copies of The Sun to win an award. You may inspect a copy of the paper and the prize list free at our offices during business hours.
5. The Sun's Lucky Bucks are worth special awards for only one week, Friday, 9 a.m. to the following Friday at 9 a.m., when new lists will be published.
6. Any person or persons may participate in the Lucky Bucks hunt except employees of The Sun or members of their families.
7. If the person presenting the Lucky Buck is under 21 years of age he or she must be accompanied by either parent or guardian.

REMEMBER TO CHECK YOUR DOLLAR BILLS!
ANY of the 10 POSSIBLE WINNERS may be YOURS
Here is the list of the Lucky Bucks' Serial Numbers
for the week of September 18 to September 25:

Serial No.	Worth	Serial No.	Worth
Q58617758G	\$25.00	R45406745F	5.00
H 44581254G	10.00	N36813725G	5.00
K22963138G	10.00	K69407370G	5.00
S63139429G	10.00	J 43808718G	5.00
N 83633291G	5.00	N 36956305G	5.00

Your Little, Old \$1 Bill May Be Worth \$25 in Sun's Lucky Bucks Hunt

Over \$2000 in Cash and Loot Taken from Home

A burglar or burglars entered the home of Clarence F. Pink, 15 Woodcrest Road during the daylight hours Monday and made off with guns, jewelry and cash valued at over \$2000, according to the Sheriff's office.

PINK REPORTED the theft to Deputy Sheriff John Scott and Stanley Cahill Monday night. The officers reported that the home had been entered through a kitchen window in the absence of Pink between 9 a.m. and 6 p.m.

Stolen loot included five rifles, and shotguns, \$150 in a piggy bank, two wristwatches, one pocket watch, two rings, a bracelet and other articles.

The Sheriff's office said that it had sent out an all points bulletin on the stolen material and was checking into the matter, but that no leads had been developed yet.

ANOTHER THEFT of two power saws from a locked closet in a home under construction was reported last Friday by J. W. Miller, a contractor residing at 157 Canon Drive.

Miller told Sheriff's Deputies that a closet in a home he is building at Camino Don Miguel and Altos Road was opened with a key and that the two saws, valued at \$120, were stolen.

Sheriff's authorities said a gang might possibly be behind the wave of power-saw thefts which have been occurring throughout the county.

More than 200 such items have been reported stolen from construction jobs.

Men Have Week To Enter Plea

Two men charged with kidnapping and criminally assaulting a Hayward woman near Orinda August 23 were given a week to enter pleas after their attorney, Francis P. Healey, asked that the attack charge be dropped.

The action took place in the court of Superior Judge Norman A. Gregg Monday.

Charged with the crimes are Burman D. Harper, 30, of Concord and Darwin Sweet, 27, of San Pablo.

The men are accused of forcing the Hayward woman at gun point from a car parked near Orinda and then taking her into the area near Tilden Park where they allegedly assaulted her.

The motion that the assault charge be dismissed will be taken under advisement by Judge Gregg. Healey commented that there may have been reason to hold the pair on attempted assault after the preliminary hearing, but that there appeared to be no support for the assault count.

Philip Dawson Now Recovering at Home

Philip Dawson, 189 Orinda Highway, has been stricken with polio. He is receiving medical and therapy treatments at home and is responding to both very well. He is a junior at the University of California.

Chamber Expects To Have Parking Area In Week

A parking area will probably be arranged for commuters and shoppers in about a week, the Orinda Chamber of Commerce learned at its meeting Tuesday noon at Casa Orinda.

A report by Stan Allen and Ramsey Underwood, a committee negotiating with the Pacific Gas and Electric Company for land for parking use, reported that negotiations are coming right along and they should be completed within a week or so.

UNDERWOOD commented that "The Orinda Chamber of Commerce is very pleased and gratified about the community minded attitude of the PG&E in this matter and we are sure that we will come to agreeable terms in another week or so."

The land in question consists of two parcels, one adjacent to the Orinda Theater parking lot, between it and the creek, and the other adjacent to the present location of Bradley's Market and the hardware store parking lot.

Underwood noted that it would not be a temporary affair to be used only during the construction of the Orinda Overpass, but that it would remain serviceable for many years.

HE SAID that the original lease... the property is not to be purchased... would be for a five year term, and that the land would be surfaced in some way, probably with crushed rock.

It has not yet been estimated how many cars the lots will hold. In other action the chamber went on record as endorsing the 1953 United Crusade.

DIRECTORS urged all chamber members to attend the regular meetings the first and third Tuesdays of each month at noon at Casa Orinda.

One director commented that "probably some members think they are not welcome at the meetings because they cannot vote. This is not the case and we would like to have everyone here so that he may be heard on various issues."

Only the directors vote at chamber meetings.

STARTING TODAY and for the next few weeks, The SUN will place in circulation 10 one-dollar bills in stores in Walnut Creek, Pleasant Hill, Lafayette and Orinda.

Each Friday The SUN will publish the serial numbers of these bills.

The 10 SUN "Lucky Bucks" are worth cash awards ranging from \$5 to \$25 for only one week— from 9 a.m. Friday to 9 a.m. the following Friday, on which day a new list of "Lucky Bucks" will be published.

THE FIRST LIST of "Lucky Bucks" appears in today's SUN.

If you have in your possession a dollar bill bearing the listed serial number, all you have to do is phone The SUN, arrange to receive your award and come in to The SUN office and trade the "Lucky Buck" for the cash award. It's that simple. And we don't have to add that it's lots of fun — and profitable to you!

Den Mothers To Get Training

The steering committee for Cub Pack 32 met Monday at the home of Mrs. Ralph Phelps, 6 Oak Lane, Monday evening.

Bruce Howard, neighborhood committeeman, met with the group and announced the Den Mother's training course which is to be given at the Fellowship Hall of the Orinda Community Church every Monday night for seven weeks at 8 p.m.

Crafts, songs and games will be demonstrated and will be of interest to all Cub mothers.

Glen Holtwick, Cubmaster, has two assistants this year, Lawrence Collins, co-ordinator of themes and Robert Miller, athletic director. Robert Thaman is membership chairman and John McFarland treasurer.

Mrs. Ralph Phelps is Den Mother advisor. Stanley Hunn, assistant committeeman and Robert Rochester director of awards.

Low Week Total On Construction

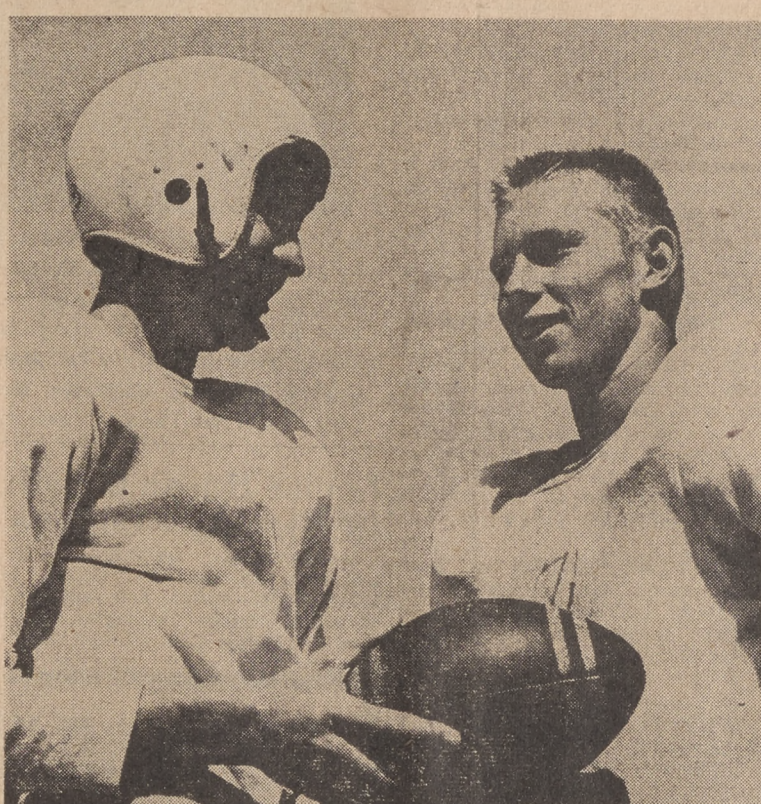

Orinda area building permits for the week ending September 4 totaled only \$15,794, according to reports from county offices.

Here is a breakdown: Residence addition, \$2198, Moraga Estates, lot 44, owner and builder T. Sibary, 8 Southwood Drive.

Residence addition, \$2604, owner and builder Robert Boyle, 11 St. James Court.

\$1042, residence and garage, owner M. B. Lillia, care of Contractor P. Haller, 1000 Walnut Drive Lafayette, for Hacienda del Orinda lot 684, Camino Don Miguel near Los Altos.

\$370, residence addition, owner and builder K. L. Lincoln, 3445 Golden Gate Avenue, Lafayette, for Lincoln Estates, lot 23, Estabueno.

TWO OF MANY GOOD REASONS for Acalanes High School's high hopes for this year's football season, which gets under way with a practice game against the tough Piedmont Highlanders at Piedmont tonight, Quarterback John Conley (at left), a Junior, and Center Gary Howerton, a Senior, talk things over. —SUN photo by Mattson

75 Enroll at Orinda Nursery School; Waiting List Shows Need for New Unit

Little girls in gingham dresses, little boys in seersucker shorts, all wide-eyed with the wonder of attending school for the first time, flocked to the Orinda Community Church building this week as classes opened at the Orinda Nursery School.

On Monday the "senior" class began, with a maximum enrollment of 45 four and five-year-olds. This class meets Monday, Wednesday and Friday.

On Tuesday the very small fry—aged two years and nine months to nearly four—started their class with 30 members.

Size of the classes must be limited to conform to state regulations for nursery schools, made in view of space and teaching supervision available.

LONG WAITING LISTS exist for each of the two classes of the co-operative, non-profit nursery school, Mrs. Russell Gilwee, president, said.

She explained that some of the children on the waiting list will be invited to visit the school this year as regular members are absent.

Also, in response to many requests from disappointed parents, possibility of setting up an additional or branch nursery school is being investigated, Mrs. Gilwee said.

IN ADDITION to the teaching staff of three at the school, five mothers assist each morning to administer the program geared to the interests and abilities of the preschool child.

Painting, blocks, story telling, dough and clay, dressing up, carpentering, riding outdoor equipment and music and dancing are among the activities offered the eager students.

By these varied and various means, the youngsters learn to express themselves creatively, to share with other children and to recognize and respect the rights of others, Mrs. William Patterson, school director, pointed out.

MRS. PATTERSON, who is celebrating a decade of association with the nursery school, welcomed many new and "old" little faces this week. Among them was Kathy Brown, daughter of Mr. and Mrs. James Brown, 155 Las Vegas.

Kathy is the fourth child of her

Planners Reject Dawson Request For Lot Division

Denial was recommended by the County Planning Commission Tuesday night for E. A. Dawson's application for permission to divide a portion of Lot 2 in Orinda Park Terrace, on the north side of North Lane, into two lots of less than a half-acre each.

The recommendation was voted on the basis that the proposal did not fit in with the Residential-Agricultural zoning of the area, according to Associate County Planner George Brenner, head of the zoning section of the commission's technical staff.

COMMISSION ACTION followed arguments by Attorney Sam Hall of Martinez, representing Dawson, in favor of the request and by C. E. Wilder of 218 Canon Drive and Joseph R. Creighton of the Orinda Association's Orinda Planning Committee in opposition.

Also present as objectors were Mrs. Wilder and Mrs. William Penn Mott Jr. However, they did not speak on the subject.

WILDER AND CREIGHTON, according to Brenner, stated that the two lots proposed by Dawson would be smaller than the required R-A standard of a half-acre, and declared that a drainage problem now exists across the front portion of the property.

In addition, they pointed out that the back portion of the property now has a duplex and a single-family residence and that if the permit was granted, two more single-family homes would probably be built, resulting in five families living on a little over an acre, Brenner reported.

The planners' recommendation now goes to the Board of Supervisors for final action.

DAWSON HAD FILED the same application a few months ago, when it was turned down by both the planners and the supervisors. But Dawson claimed he did not receive notice of the board's hearing until after the board decision was rendered.

This alleged mixup resulted in the new hearing before the Planning Commission. Dawson was not present Tuesday night.

HALL SAID that Dawson had not received a fair hearing before the Board of Supervisors when last summer's board hearing was held.

Hall displayed maps and stated that the Dawson property borders on an R-S zone (Single-Family Residential).

GOP Women Will Hear Don Doyle

The first fall meeting of the Orinda Women's Republican Club will be held at the Orinda Community Church Thursday at 10 a.m.

Assemblyman Donald Doyle will be the guest speaker and will talk on the legislative accomplishments of the last session at Sacramento.

All Orinda women are cordially invited to attend.

Health Clinic Here

An Immunization Clinic will be held at Orinda School tomorrow from 9 to 11 a.m. under the auspices of the County Health Department, it was announced this week.

Workers, Patients Contribute \$200 to Diablo Therapy Center Building Fund

"Operation Good Neighbor" was enriched last week in the amount of \$200 contributed by workers at the Mt. Diablo Therapy Center Sheltered Workshop, therapists, and other staff members.

Success of the current public appeal for funds with which to construct a new building for the Center means much to the physically handicapped of the Mt. Diablo area and those persons close to the scene of the vital rehabilitation program want to be among the first to play a part in making the new Center possible.

The donation by Center Workshop members has particular significance, since these men are unable to earn a living in outside employment, competing with able-bodied workers.

Workshop employees in honoring Cliff, a birthday cake prepared by a volunteer added to the festivity. Edgar B. Stewart, campaign general chairman, addressed a meeting of Orinda residents in another "Operation Good Neighbor" activity signaling the start of the Orinda organizations efforts to help in the building fund campaign. Over 50 people attended a meeting at the home of Mr. and Mrs. T. M. Harter, Seven Oaks Circle.

Featured on the program was a panel discussion moderated by Edmund S. Barnett, president of the Therapy Center's board of directors. Participating in the forum were: Richard D. Wetzel, executive director of the Center, Robert Brown of the Sheltered Workshop; Mrs. Alan Waddell, president of the Tanagers auxiliary unit; Mrs. Robert Q. Short, mother of three year old Bruce Short, mother of three for the fund drive; and Mrs. T. M. Harter, president of the Oracles auxiliary unit.

Another feature on the program was the showing of a TV film taken at the Center by a KPIX camera crew.

Other Orinda leaders who participated in the meeting were: E. E. Cappell, special events chairman; George Dodge, business chairman; and Mrs. Theodore D. Sanford, clubs and organizations chairman.

The meeting was arranged by Mrs. F. R. Devin, co-chairman of the Orinda area organization. The Orinda campaign contingent plan to complete their efforts in the next two weeks.

New Del Rey School To Open December 1

The Orinda School Board Monday night officially named the new school in the Moraga Del Rey area the Del Rey School.

"Construction is coming along well," said Superintendent of Schools Joseph L. Sheaff, "and if it continues at this pace the school will be completed and ready for use December 1."

Sheaff also announced that the enrollment in Orinda schools this year is 1646 as against 1496 last year, an increase of 150 pupils.

In other business the trustees discussed the possibility of installing a gasoline tank at Orinda School to facilitate the refueling of school buses.

"As the case stands now," Sheaff said, "every other day the buses must be driven to Acalanes High School for gasoline. This costs a good deal of money and we are looking for ways to cut down the transportation costs of the school district."

"We have not asked for any bids yet, and we are just looking into the matter, but this is one place where there can be a considerable saving in the transportation costs."

Also up for discussion was the Pine Grove site, but no action was taken. Sheaff explained that the district was still getting appraisals and that the matter was "still in the talking stage" with the East Bay Municipal Utility District.

Several visitors were present and they expressed an interest in the amount of money available for building purposes and in the future plans of the board.

The trustees explained to them that the immediate plans for expansion of the district are concerned with locating a site for another upper grade school and the construction of that school.

That is the purpose for which the Pine Grove site is being considered. In the more distant future are plans for the expansion of either the Sleepy Hollow School or the Del Rey School, whichever will need it. He expressed the possibility that that money could also be derived from state aid.

He explained that the money is available through the state aid program for the new school, but that the financing for possible additions to present schools will still have to be worked out. He expressed the possibility that that money could also be derived from state aid.

The district is at present bonded to capacity. Plans for additions to the Sleepy Hollow School are already drawn up and have received state approval. It will merely have to wait for financing, he said.

Plans for additions to the Sleepy Hollow School are already drawn up and have received state approval. It will merely have to wait for financing, he said.

Plans for additions to the Sleepy Hollow School are already drawn up and have received state approval. It will merely have to wait for financing, he said.

Mallory Request Up Next Tuesday

The application of Hugh A. Mallory for a permit for 5 and 10-foot side yards for a residence on Orchard Road in Moraga Park has been held over until Tuesday night by the County Planning Commission.

Reason for the delay is that Mallory was not present at last Tuesday night's meeting of the Planning Commission, according to Associate County Planner George Brenner, head of the zoning section of the commission's technical staff.

Mallory's request is for 5 and 10-foot side yards on Lot 31 and a portion of Lot 32, fronting 115 feet on the west side of Orchard Road, approximately 450 feet east of Loneview Terrace.

The area is zoned Residential-Agricultural.

Judge Upholds House Contract

Superior Judge Harold Jacoby this week denied the rescission of a contract under which Maurice G. and Clair C. Parkash purchased a home on Lost Valley Drive, between Orinda and Moraga.

The suit was filed last October 27 against Fred T. Wood, Inc., alleging that the new home they bought in April, 1951, was misrepresented.

JUDGE JACOBY, however, ordered that \$1265 be credited to them against their promissory note and that the real estate firm be enjoined from foreclosure proceeding up to January 1.

The suit also asked the cancellation of the promissory note and deed of trust, refunding of the down payment, \$7769 for improvements made, \$1500 exemplary damages and an injunction restraining the defendant from selling the property under foreclosure.

THE PARKASHES complained that the house sagged, the doors slanted, the floors squeaked, bricks were missing from the fireplace, the furnace pipes knocked because a six foot section of cold air duct also was damaged, the master bedroom was flooded because a connecting water pipe was too short, and there was no vent pipe for the kitchen stove, among other things.

Rotary Plans Busy Schedule

J. Graham Sullivan, assistant superintendent of the Contra Costa Junior College District, was the principal speaker at the meeting of the Orinda Rotary Club Wednesday night at the Orinda Willows.

He gave a progress report on the district and commented that, for example, a \$30,000 home would pay about \$24 per year in taxes toward the cost of the district.

Program chairman was George Eberhart.

Speaker for next week's meeting will be Ed Lonergan who will talk on "Investments." Program chairman will be Jim Kral.

Girl Scout Drive Begins Today

Collectors for the Diablo Valley Area Girl Scouts will start making house to house solicitations today, as their annual fund drive begins. The drive, with a quota of at least \$25,000, will continue through October 6.

Jean Rahn is chairman of the drive this year. He stated that the goal figure is a conservative estimate of the minimum amount necessary to continue Girl Scouting in the area for another year.

THE DIABLO VALLEY Area Council is an organization of Girl Scout units in Alamo, Danville, Lafayette, Orinda, Pleasant Hill, Walnut Creek and Ygnacio Valley.

"Give Part Where You Live," is the slogan of this year's drive. Rahn pointed out that every penny of the money collected will be used to support the Girl Scout program in this area.

"Every community represented needs Girl Scouting, but it can only be made possible through the generosity of the people living in the area," he said.

The council estimates that some 4000 girls will be served in next year's program.

Mrs. Leonard Ford is president of the council.

STARTING TODAY is the Diablo Valley Area Girl Scouts annual fund drive. Here Mrs. Donald Hayward, left, collects a donation from Mrs. John Kennett, right, as her daughter, Linda, an active Girl Scout, looks on. The drive will continue through October 5.

Candidates for Commuter Club's Board Proposed

Directors of the Contra Costa County Commuters Association held their regular monthly meeting Tuesday night at Acalanes High School. The session had been held over from the preceding week because of the Admission Day holiday.

Plans for the annual meeting on October 13 were discussed, and arrangements completed for mailing advance notices to the general membership and distributing a bulletin on the buses immediately preceding the meeting.

DEL ARMSTRONG proposed the names of six new directors who will be submitted for nomination and election at the annual meeting, as follows:

Arthur Weatherbe, Orinda; Marge Allendorph, Alameda; John Daner, Walnut Creek; Bob McClelland, Monument; LeRoy Sowers, Lafayette; and John E. McKirahan, Lafayette.

McKirahan, a charter member and former director, has been serving for the past two years as a special service representative. It was the consensus that he should return to an active directorship, in view of his long experience in handling commuter problems.

Another candidate who is yet to be selected will complete the slate of seven which will be presented at the October meeting.

MCKIRAHAN'S REPORT on service for the past month indicated that some relief had already been noted since the addition of another bus to San Francisco in the morning, commencing September 9.

Another evening bus from San Francisco had already been added early in August, and the service has now been restored to the same general level which was being provided prior to the discontinuance of a bus to and from San Francisco in July, which caused considerable furor among the commuters at that time.

HE REPORTED that traffic delays and heavy congestion on Polson Street leading to the bridge approach in San Francisco and on MacArthur Boulevard in Oakland must be expected to grow even worse during the Key System strike, resulting in overcrowded conditions due to car pool groups using these approaches during the morning and evening commute periods.

In general, the tone of his report indicated that the service picture, insofar as the Contra Costa group is concerned, has generally improved, considering the over-all public transportation situation in the Bay area.

Christian Science Sermon—'Matter'

"Matter" will be the subject of the Lesson-Sermon to be read in all Christian Science Churches Sunday.

The subject will be comprised of citations from the Bible and from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, including the following:

Isaiah: "And the loftiness of man shall be bowed down, and the haughtiness of men shall be made low; and the Lord alone shall be exalted in that day" (2:17).

Science and Health: "Emerge gently from matter into Spirit. Think not to thwart the spiritual ultimate of all things, but come naturally into Spirit through better health and morals and as the result of spiritual growth" (p. 485).

Shipmates to Meet

Shipmates will meet next Friday evening at the home of Mr. and Mrs. Mervyn Peacock, 215 Clorietta Boulevard.

Mr. Morrow will be the speaker.

Civil Defense Unit to Hear of Warning Device

The newest device for civilian protection in the event of an enemy air raid will be described on September 29, when C. H. Goodrich, field representative of the Pacific Telephone and Telegraph Company will discuss the Bell and Light warning system.

This system, which is being installed in schools and firehouses throughout the country, instantly warns of impending attack when activated by an operator located at Hamilton Field.

Similar to a telephone dial, the master dial is directly connected to bells and lights installed in the schools, and the alarm is sounded within seconds after the operator dials a warning.

Goodrich will address the Las Lomas Civil Defense Sub-council at Las Lomas High School at 8 p.m., and all parents of school-age children are particularly urged to attend and ask questions about this vital subject.

Art Group Ready To Start Classes

With vacations over and school starting, the Co-Operative Art Association is getting its teachers and classes organized.

Mrs. Robert Cunningham, membership chairman, is mailing letters for new members. Anyone interested may contact Mrs. H. G. Noack, Lafayette 3708. Mrs. Donald Waldman, admissions chairman, is also mailing letters of invitation to the classes, to interested students.

Classes will start September 23 in the Lafayette Grammar School. Mrs. A. G. Hardy will be the teacher and will have the 4th, 5th and 6th grades. An assistant has not been chosen as yet.

More advanced classes will be started for the first time, with the 7th and 8th graders, Tuesday, in the Lafayette Grammar School Auditorium, to supplement art work in the school. These students will come from both Walnut Creek and Lafayette schools.

Mrs. Edith Dinkin will instruct this class, with Mrs. Glenn Max as assistant. Mrs. Dinkin is well known in art circles and was in charge of the Artist's Market in Lafayette.

Her specialty is oil painting and she is also teaching an adult class at the Artist's Market.

Mrs. Sylvia Scheuber will continue with the class in Walnut Creek, and Mrs. DeWitt Krueger will assist again. The class will be held in the Walnut Creek Grammar School Auditorium.

Fourth and fifth graders in particular who are interested may contact Mrs. Krueger, YE 4-6586.

There will be 35 students in the Lafayette class, 30 in the Walnut Creek class and 25 in the advanced class. Mrs. Noack, association president, may be contacted by students interested in the advanced class.

SPUD Will Submit Petition for Sewer Annexation

Further discussion of details of possible annexation of Southern Public Utilities District by Central Contra Costa Sanitary District occupied directors at the regular board meeting September 10.

Central Contra Costa Sanitary District directors agreed informally that they would "welcome an annexation" as outlined with SPUD, but could not act formally in the absence of a petition requesting such an annexation.

ABOUT A DOZEN residents of the Cameo Acres area of Danville, an area within the SPUD, as well as directors of the SPUD board, were present.

SPUD directors indicated that a petition requesting annexation would be circulated immediately now that discussions with Central District board members have answered all questions concerning the annexation.

In other annexation discussion the board listened to a proposal put forward by R. L. Dowell in behalf of the possible annexation of the Clayton Valley area. Dowell requested that directors consider the possibility of accepting an annexation of his area without its having to participate in the bonded indebtedness of the present Central District.

DIRECTORS AGREED that they would accept the annexation on such terms providing Clayton Valley was bonded to capacity for similar purposes, namely plant and sewer line construction.

The board denied a second request that houses already built but not connected to any sewer system be relieved of the connection charge.

President Elliott Johnson of the Central District was not present, not having fully recovered from a recent heart attack, but it was disclosed that he planned to attend the next meeting October 1.

Acalanes Parents Meet Monday

New parents will be especially honored, and introduced to faculty members, at Monday night's opening meeting of the Acalanes Parents Club in the high school gymnasium. It was announced by Victor Johnson, program chairman.

New teachers will be presented by Stanley Walgren, principal, and District Superintendent Neil Parsons will speak. The meeting opens at 8 p.m.

Board members and their husbands or wives will be hosts and hostesses, and refreshments for the evening will be home-made cakes provided by the feminine members of each board family, according to Mrs. Donald Krotz, president.

MRS. FRANKLYN PENNOCK, reception chairman, will be assisted by her husband and Mr. and Mrs. Paul Demeter, Mr. and Mrs. R. P. Tolles, and two faculty members, Miss Vera Richardson and Dean of Boys David Stewart.

Membership Chairman Doug Robertson announced his committee will begin its drive toward 100 per cent membership of the approximately 775 Acalanes families. Aiding him at Monday night's meeting will be Mrs. Robertson, Mr. and Mrs. Tom Jeffries, Mr. and Mrs. Jaul Johnson, Mr. and Mrs. Don Hunter and Mr. and Mrs. Lowell Arbogast.

In charge of serving the 28

home-made cakes and accompanying refreshments will be Mrs. C. M. Fish, assisted by the other members of the board.

Mrs. Henry Peshon's committee in charge of notifying members includes Mesdames Harold Toland, R. C. McBride, E. G. Bodway, Charles Aiman, E. E. Rowland, Robert Cockburn, Russ Miller, Harold Mumford, Arvid Johnson, H. P. Smith, William A. Kinney, John Brohman.

Mr. and Mrs. Krotz were hosts for dessert to board families Tuesday evening, when Monday night's program was outlined.

Jewish Group To Meet Tuesday

The Contra Costa Jewish Community Center will hold a special membership meeting Tuesday at the Community Center Building, formerly Planter's Doc, in Lafayette, at 8 p.m.

It will be the first membership meeting to be held in the new building. Topics under discussion will be the remodeling of the building, old business, the report of the social committee and the report of the activities committee.

Orioles Planning Bowling Tourney

After a brief summer recess, the Orinda Orioles Auxiliary of the Mt. Diablo Therapy Center is starting a full schedule of fund-raising activities in support of the Center.

With the building fund drive now in progress for the erection of the new Therapy Center, the auxiliary is making an intensive effort to make its financial support greater than ever before.

THE GROUP is sponsoring a bowling tournament to run from October 17 to November 29, to be held in bowling alleys in Richmond, Berkeley and Pittsburg.

A grand array of prizes will be awarded, through the generous co-operation of many merchants and friends in all the East Bay communities.

THE ANNUAL rummage sale will be held October 26 and 27 at Norway Hall in Oakland.

Anyone wishing to contribute articles for the sale is asked to call Mrs. M. W. Hardy, Orinda 2483, or Mrs. Roy Stuart, Orinda 2539.

THE ORIOLES also give a card party on the fourth Wednesday of each month. Next Wednesday's card party will be at the home of Mrs. A. R. Snoble, 4 El Verano.

A nominal charge is made for luncheon and an afternoon of bridge or canasta, and all friends of the unit are invited to attend. For information and reservations, call Mrs. Ken Kessler, Orinda 2291.

ORIOLE OFFICERS for this year include:

Mrs. T. M. Harter, president; Mrs. Ross Winans, secretary; Mrs. A. H. Thompson, treasurer.

Women for Weimar Need Clothing, Toys For Sick Children

The Women for Weimar, under the chairmanship of Mrs. L. L. Farrar, 99 El Toyonal, Orinda, are asking for donations for the 90 children in the Weimar Sanatorium.

The nurses at the hospital have requested toys for the children to play with during their bed rest period.

For the boys, blocks, drawing paper, pencils, crayons, model planes, trains, ears, glue and tools to work with.

Comic books suitable for children are acceptable. The little girls love to play "dress up" so any costume jewelry, ribbon, laces, veils, scarfs, can be utilized. Also dolls and doll clothes of any size, gram and knitting needles, crochet thread and hooks will be greatly appreciated.

Any useable tee shirts, pajamas and underwear are kept in a storage closet and given to the children when needed. Assisting Mrs. Farrar in the collection of the toys are Mrs. Robt. Diehl, 36 Los De-dos, Mrs. George Klement, 10 Valley View Road, and Mrs. Zach Montgomery, 6 Overhill Court, Orinda.

Potluck Reminder

Those attending the pot-luck dinner at Orinda Community Church Wednesday evening, September 23, are asked to phone their reservations to Mrs. Joe Creighton, Orinda 2781 or Mrs. Ralph Phelps, Orinda 2871 and tell what is being brought, remembering that for a family of four or more one hot dish is to be contributed as well as a salad or dessert.

Happy Birthday

RODDY AND GARTH

Mrs. Boone Robinson and Mrs. Vernon Hudelson gave a "whale" of a birthday party for their respective offspring, Roddy and Garth, on September 12 at the home of Mrs. Hudelson.

An invitation in the shape of a whale was sent to each of the following: Craig and Kendall Studley, Neil Rose, Kent Miller, Jack Witter, Cory Lowther, Ronald Winkler, Robby Spott, Steven Cantrill, Greg Starkman, Bruce Baldwin, Phil Gardner and Michael Soren.

Lunch and movies were the order of the day. Last but not least, each youngster was given a real, live goldfish to take home to Mom as a party souvenir.

LORRAINE FLENNER

Lorraine Flenner, 52 Acacia Drive, celebrated her sixth birthday on Wednesday, Sept. 9. Twelve little guests were invited to a party where they enjoyed many games and movies. The traditional ice cream and cake and pink lemonade were served.

BONNIE SUE GRACEY

Bonnie Sue Gracey, daughter of Mr. and Mrs. William Gracey, 30 Tara Road, celebrated her 5th birthday August 29. Helping her celebrate were Susan Meyer, Thomas Locke, Bradley Ott, Virginia Van Every, Bradley Van Every, Worth Wagers, Douglas Thomas, Gregory Wagers and Paula Harrison.

BOOK REVIEW TEAS will be a special feature of this fall's program of Pandora Chapter of the Children's Home Society. First of a series of three book review teas will be given Friday, October 9, 1 p.m., at Orinda Community Church. Mrs. Lester Gease (third from left) is chairman of this event. With her, left to right, are Mrs. Gerhart Cooke, chairman of the December 11 book review tea; Mrs. Kenneth St. Clair, chairman of the November 13 event; and Mrs. John Barchfield, chairman of the bazaar which will follow the December book review. The reviews will be presented by Mrs. Lloyd Truman.

Camera Club Holds Awards Meeting

The Contra Costa Camera Club held its regular meeting September 8 at the Orinda Community Church. The evening was devoted to prints.

Dick Davidson of the Berkeley Camera Club, who was guest judge, made the following selections:

Beginner: first, third and fifth, Don Hanson.

Advanced: first and second, Niels Wahlberg, third, Guy Spencer, fourth and fifth, McVicker.

Salon: first and third, Chariliss Gore, second, Jim Hokanson, fourth and fifth, Hal Grant.

The Nominating Committee made its report and proposed as officers for the ensuing year: general chairman, James Hokanson; vice chairman, John Ammann; secretary, Mrs. Audrey Hinz; treasurer, George Hubbell.

The next meeting will be held Tuesday at the Orinda Community Church and will be devoted to slides. Election of officers will also be on the agenda.

Section 2 to Meet

Section 2 of the Women's Guild will meet Tuesday, at 12:30 p.m. at the home of Mrs. A. W. Elkinton, 11 Honey Hill Road.

Mrs. Harry Noller announces that the program will include a review of "Mr. Jones, Meet the Master," written by Peter Marshall, by Mrs. Verna Ramsey.

How Much Do You Know about Christian Science?

Even if you know nothing about Christian Science, take this opportunity to learn some of the facts about this scientific religion which heals sickness and solves human problems.

Accept this invitation on behalf of yourself, your family, and your friends.

Seafarers Listen To Woodcarving Expert Lecture

The Seafarers cruised last Friday evening to a favorite port, that of Fred and Ann Elkinton, 11 Honey Hill Road. After a delicious potluck dinner enjoyed in the barbecue picnic area under the oaks, the group of 22 gathered in the Elkintons' hobby room for a brief business meeting presided over by the skipper, Leon Carroll.

Elkinton then introduced the speaker, James Whipple of San Francisco, a retired bank accountant and friend, who talked about the exhibit of boxes on the table before him which were so beautiful that all present had viewed them with wonder and admiration.

Whipple said he had started this hobby of making boxes of woods with inlaid patterns some years ago. The designs are all first mentally conceived, and never copied and never duplicated.

The boxes ranged from the size of a stamp to some of 18 inch diameter. The woods he used came from all over the world. All have their distinct color and none are ever stained.

He pointed out the woods that had come from Brazil, rich in many beautiful hardwoods, the teak wood which he said is naturally black, sandalwood, myrtle wood from Oregon, white holly, and others.

He used a lathe and a band saw in their making and many carving tools. When pieces making the patterns were set in with infinite care much time was spent in sanding, polishing and applying a clear lacquer. The boxes he showed the group had been displayed in Boston and the Metropolitan Museum in New York.

Whipple is vice president of the International Wood Collectors Association.

Husbands Meet

The Orinda P.E.O.'s held a barbecue dinner party at the home of Mr. and Mrs. Ralph T. Hickcox of 261 La Espiral Drive last Friday.

The party proved a huge success, since it brought together all the husbands who had not met before.

Stork Club

SON FOR SIGERSON

A son was born to Mr. and Mrs. Donn Sigerson of 200 Valley Drive on September 3 at Kaiser Foundation Hospital in Oakland. The baby weighed 8 pounds, 3 ounces at birth.

The boy has not yet been named. "Look at the situation coldly," Sigerson observed with some warmth. "It'll be at least a month before he responds to his name. What's the rush?" Then he added that before his twin daughters, Sage and Stacy, now 7, were born, he and his wife, anticipating twins, had selected a name for a girl and one for a boy.

"When both the twins turned out to be girls, we got all fouled up on the name problem," he said. "This time we decided to wait until after the child was born, before worrying about a name."

Outing Starts Pack 225 Year

The new season for Cub Scout Pack 225 got under way last Saturday with an outing at Maple Picnic Ground in Redwood Park.

Nearly 60 — about 25 cubs and their parents, brothers and friends — enjoyed the day's activity.

Led by Pack Committee Chairman L. M. Chapman and Cubmaster Ed Winters, the cubs went on a hike.

Regular pack meetings will be held the second Friday night of each month, at 7:45, at Orinda School. First session of the year is scheduled for October 9.

The pack is an offshoot of Pack 52, the zooming membership of which necessitated formation of a new unit.

Clippers to Hold Progressive Dinner

The Clipper Club will resume activity with a progressive dinner next Friday.

The group will gather for the first course at 6:30 at the De Loss Winkler home, 133 Lombardy Lane. The Kirk Miles' at 11 La Plaza will host the main course.

Dessert will be served at the Horace Breeds, 80 Camino Encinas. The evening will be concluded with pictures and reminiscences of the Everett Howes' vacation trip across the United States by trailer.

Bridge, Canasta Sessions Planned

Orinda Mothers Club bridge and canasta sessions begin Thursday, October 1 at the home of Mrs. R. Rothafel, 38 Oakwood from 9:30 a.m. to noon. All mothers interested in attending these sessions, or any one desiring to be a fourth occasionally, are asked to please call Mrs. Jack Moylan at Orinda 2523 and make a reservation.

During the morning play coffee and coffee cake are served by the hostess. A nominal charge of 75c is made and the hostess is reimbursed for the cost of refreshments served.

The Friday, October 2 bridge and canasta session will be at the home of Mrs. R. Harrison, 7 Camino Lennada from 9:30 a.m. to noon and the Friday afternoon play will be at the home of Mrs. J. Hill, 2 Idlecourt (corner of Moraga Via) from 1:30 to 3:00 p.m.

Dessert and coffee are served at the afternoon games.

Mrs. Moylan would also like to have members of Mother's Club who are interested in being bridge and canasta hostesses for future sessions call her. The bridge and canasta sessions will meet every first and third Thursday and Friday of every month. All mothers new to the Orinda area are urged to attend.

Everyone has a good time, so if you like to play bridge or canasta call Mrs. Moylan.

Baby Shower Honors Mrs. Charles Wilson

Mrs. Donald Krotz and Mrs. Roger Dexter were hostesses at a miscellaneous baby shower and luncheon in honor of Mrs. Charles Wilson last Friday at the home of Mrs. Dexter.

Those attending were: Mesdames J. Newell, H. Courtwright, D. Bruck, N. Coates, V. Savale, W. Little, R. Anderson, W. Courtwright, C. Burnett, R. Schaffe, V. Coubourn, D. Anderson and J. Myers.

Winans' Will Move To Lombardy Lane

Mr. and Mrs. A. R. Winans, the prominent husband and wife team responsible for many attractive homes built in Orinda, are giving up their lovely home on Tappan Lane.

Their new home, which they recently completed and will occupy on October 10, is on Lombardy Lane.

Home Department To Meet At Kooreman's

The Orinda Home Department will hold its first meeting this year Wednesday at 10 a.m. at the home of Mrs. William L. Kooreman, 22 Meadow Park Court.

Mrs. Mary Williams, county home advisor, will conduct the meeting on the subject of "Better Family Living Through Better Homes."

Sunday Services At St. Stephen's Now at 5 P.M.

At the new fall time of 5 p.m., the Rev. Charles M. Hill will conduct prayer service for members of St. Stephen's Episcopal Church Sunday at the Orinda Community Church chapel.

Under the direction of Choirmaster Mrs. T. J. Fahay, St. Stephen's Choir will sing "Jesu Joy of Man's Desiring" by Bach.

GOING ON The new autumn schedule last Sunday for the first time, after three months of morning services, the congregation of St. Stephen's will meet at the later hour in the Community Church chapel until the new St. Stephen's Church building is sufficiently completed to allow services to be held there.

Construction of church and vicarage is well forward on Via Las Cruces in the Charles Hill area of Orinda. Both structures are rising rapidly under the intensive work program directed by R. F. Johnson and Son, general contractors.

It is estimated that the vicarage will be ready for occupancy by November 1, while the church building will be fully completed early next year.

SERVICES WILL be conducted, however, in the unfinished church as soon as construction reaches the point where the congregation is afforded adequate shelter for comfort.

Church school will start October 4 for the children of St. Stephen's. Meetings of the Young People's Fellowship to resume on the same date at 7 p.m. in the present vicarage, 101 Las Vegas Road.

God's Power To Be Sermon Topic

The Shepherd-of-the-Valley Lutheran Church, located at the intersection of Moraga Highway and Orchard Road, has three services every Sunday morning.

The whole family is invited to take part in the group worship at the 8 and 11 a.m. services and the 9:30 Sunday School worship and class instruction.

It has been rightly said, that if you don't stand for something you will fall for anything. Pastor Edward R. Anderson will speak on "God's Power in Practice" which you should know through the inner strength of God's spirit, for this spirit reinforces you, helps you, fills you and enables you to do much more than you dare to ask or imagine, for the crowning glory of man's activity is his glory to God, he points out.

The members of the California Junior Women's Association will have their meeting Monday evening, September 21, in the Activity Room at the church according to their president, Mrs. Estes.

The Women of the Church meet Tuesday evening at 8 p.m. to hear Mr. Downs of Down's Interior Decorators at the Orinda Crossroads as he speaks about how God's designs are used in the decoration of a home or church.

Refreshments will be served.

Canyon Ranch Group Elects New Officers

Canyon Ranch Association elected officers as follows at a recent meeting:

President, A. W. Elkinton; secretary, Sydney Bean; treasurer, Mrs. J. Marion Thomas.

The association, which is concerned with affairs affecting the upper Miner and Honey Hill Road neighborhoods, will have its representatives in the Orinda Association.

About our happy Country Folks

By EDITH BOLMAN

And Mother is 86 — a perkier, sweeter Mother you have never seen, in her embroidered dress and white hair atop her head. Daughter, Mrs. Kendrick Morrish, invited friends from far and near to a buffet luncheon at her home September 8 in celebration of the birthday. An enormous copper chafing dish and salad platters graced the dining table and many guests were seeing each other for the first time since vacation started.

AND UPON THE SUBJECT of vacation — it's over so you had better start worrying about your Autumn intellect. The Orinda Branch is arranging to help you out with that little problem, however the member whose phone number has been in the paper for you to call for lecture series reservations has been receiving some complaints — hurt feelings — some of you didn't receive the announcements through the mail and thought you were not invited to buy the five dollar ticket for five lectures.

Great Guns Girls — we want all of you — the more the merrier — within the limitations of the Orinda Country Club's capacity, so if you would like to come, quickly call Mrs. Ernest Kahl at Orinda 7321 because they are going fast. The final speaker will be Robert Gros, Commentator, interviewer and world traveler. The information sheet on it is astounding. As a responsible interpreter of world affairs he has covered first hand, blockaded Berlin on the Airlift, the battle lines in Korea and Viet Nam, the Panmunjom Truce talks, the 7th fleet on combat missions, United Nations Conference and the Japanese Peace Treaty Conference.

In his talk he will give the human side of world affairs with interpretive anecdotes and humorous incidents. Drew Pearson says of him "In my long experience in grinding out the Washington Merry-Go-Round I have never heard of even the most enterprising newsmen's carrying out such intensive and successful interviewing campaigns as those accomplished by Robert Gros. I wish I could equal his record." From Joe E. Brown "My good friend Bob Gros knows the subject he discusses thoroughly and imparts his information to his listeners most entertainingly. He is a fine citizen and delightful personality."

The annual struggle for power between contestants from the Orinda Park Pool and the Orinda Country Club Pool was staged at the latter location in spirited fashion on the hottest Sept. 14 since 1944. The participants plopped into the water with flailing arms and churning feet in order to get there the fastest with the mostest — then with wet grins and dew laden eyelashes they went dripping all through the audience to take their badges to their Mothers who stored them away in capacious handbags. If you were competitive minded you kept your eyes glued to the races and paid great attention to the scores (adequately covered elsewhere in this paper) but if you were just sitting there dying of the heat and had time to watch the Mothers who witnessed one of the most magnificent demonstrations of pseudo-swimming, vicarious athletics and/or dramatic efforts at trying to shove babykins into winning position from the bleachers.

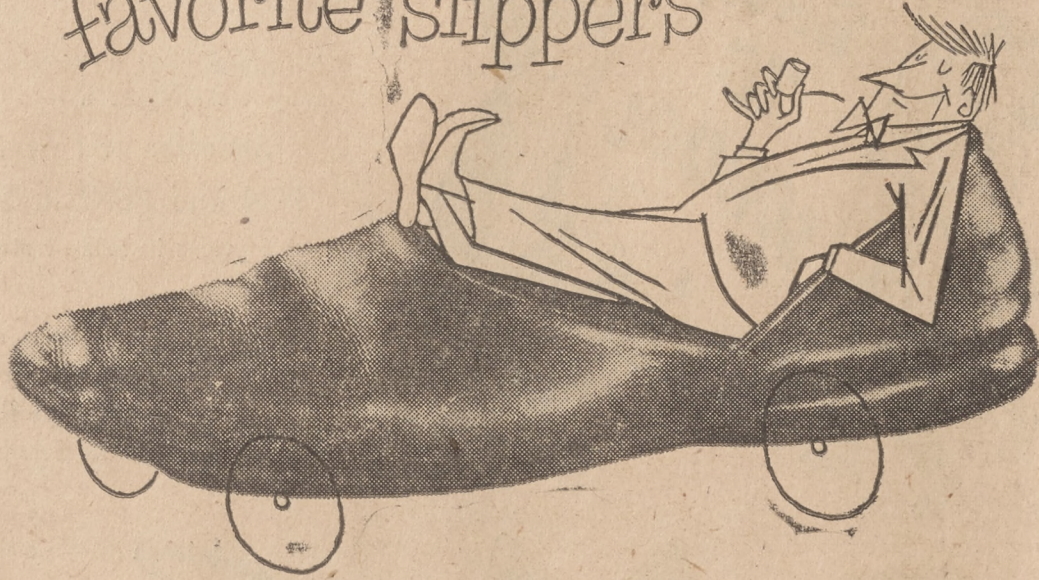

A busy household is the Robert Harrisons. Recent visitor was George Oneke from Hawaii, the most outstanding 14 year old swimmer in the Nation today. He won 3rd place in the 1500 meter at the Nationals in Indianapolis and both he and George Harrison raced in the Far Westens in San Francisco. How reminiscent of the famous Duke Kohnamoku of another day. A friend of ours was in a plane with the "Duke" who is evidently more confident in the water than the air. After they both watched the pilot with his hands grasping the steering wheel (on that brief inter-island trip where you can see what the pilot is up to) they approached the landing field so the Duke relaxed, eased back in his chair, raised his hands in imitation of the pilot and pretended to hand the steering apparatus over to our friend saying "here, you take it for awhile." Now visiting the Harrisons are Mr. and Mrs. Samuel Staub from Pottstown, Pennsylvania who are being shown the sights in the Bay area.

WELCOME NEWS from the Norman Kreys who have moved back to Spokane. They miss their Orinda friends, however seem to be having a pretty gay time of it taking trips to Banif and Lake Louise and galavanting next to such glamour pussies as Shelley Winters and Jimmy Stewart.

First party put on by the newly formed Lombardy Branch of the Children's Hospital was held Saturday evening at the home of Mr. and Mrs. Nels Hamberg. The hostesses looked lovely, their husbands worked like beavers, and the 250 guests enjoyed the refreshments, gardens, and deck under the trees but they "shor missed the boat" in one respect. How were they to know when they planned the party that we would be experiencing a record heat wave! The gentlemen, of course, took off their coats and that unforeseen eventuality caused — 1) quite a scramble because they had organized no checking system and getting the right coat on the right man at the end of the party, was a prodigious undertaking.

2) a bewildered group of hostesses who were pretty busy counting up on their fingers all the money they could have collected for checking. So brace yourselves one and all, for Children's Hospital enthusiasts, being what they are, will make it up someplace. At their next wonderful party you will probably have to check some thing whether you want to or no — your wife, maybe, if it seems like a good idea at the time. Host and hostesses were Mr. and Mrs. Robert Maddox, Nels Hamberg, Joseph Downs, Dan Carter, Robert Lyman, Rudy Rasmussen, R. L. Kocher, Cecil Cantrell, Lloyd Hecathorne, Paul Baillie, Jack Moylen, Sterling Smith and Alan Waddell.

Just like your favorite slippers

Comfort is hard to describe. It's a sleeping kitten next to a stove. It's that extra blanket on a cold night. It's a hammock on a summer afternoon.

It's also a Pullman room on an S.P. streamliner, and here's why: You have lots of space to relax in. You have all the privacy you want. You have individually controlled air conditioning. You have the wonderful full-length Pullman bed and clean white sheets every night. You have your own private toilet facilities. You have all the attentive personal service of a top-flight hotel. And you have the many recreational facilities of the Lounge Car, including games, refreshments and the stimulating conversation of congenial people.

Next time you travel on Southern Pacific, try the luxurious comfort of a Pullman room — roomette, bedroom, compartment, drawing room or suite. Also available: Pullman section space (upper and lower berths). You can reserve space in advance.

FREIGHT TRAVELS IN COMFORT, TOO We handle freight gently and at low cost, too. On an average we move a ton of things for only 1.45 cents a mile. We have more miles of line serving more Western cities and towns than any other railroad. So, for fast, efficient and dependable freight service—whether carloads or l.c.l.—call our nearest agent.

Church Auxiliary To Meet Thursday

First fall meeting of the Women's Auxiliary of St. Stephen's Episcopal church will be held at 12:30 p.m., Thursday at the home of Mrs. William Spraling, 9 Highland Court. Assistant hostesses for the despoit meeting will be Mesdames Walter Christie, James Lambrethe, and James Brown. Dessert and coffee will be served preceding the business meeting.

Presiding during the business meeting will be Mrs. Robert Bigler, president, who will announce plans for a Christmas bazaar and dinner on December 3 at the Community Church building, to be sponsored by the St. Stephen's Women's Auxiliary.

Mrs. A. D. Henry, program chairman, will introduce the theme for the 1953-54 monthly meeting of the Auxiliary. It has been selected by Mrs. Henry, Reverend and Mrs. Charles Hill, and Mrs. Bigler to coordinate with future sermons by Rev. Hill and other study groups of the Episcopal church. The theme is "The Prayer Book speaks in our uncertain age."

As the first in a series of talks and discussions on the Episcopal Prayer Book, Mrs. Margaret Hill, will lead the devotion period with a description of "The Struggle for the Prayer Book." Following her brief talk the meeting will be open to general questions and discussions.

All members of the Auxiliary and others interested in St. Stephen's are invited to attend the meeting, according to Mrs. Bigler.

Sermon To Be Power of Positive

"The Power of the Positive," a second sermon based on incidents in Ralph Moody's "Fields of Home," will be the sermon subject of the Rev. Fred R. Morrow at 11 o'clock Sunday at the Orinda Community Church.

The Chapel choir, under direction of Margaret Popovich, will sing "Listen to the Lambs," by Dett. Daniel Popovich, organist, will play Mendelssohn's "Sonata II," "Spring Song" by Lemare, and "Priore" by Cesar Franck.

Residents of the community of many different denominations make up the congregation. A cordial welcome is extended to all. The Sunday church school is offering two sessions, the first at 9:30 each Sunday morning for every age from the nursery through adult years and the second for children through the third grade at 11 o'clock paralleling the church service.

The 9:30 adult session is featuring the discussions led by Miss Adena Joy on "Development of Self-Awareness."

A vigorous program is carried on from 6:45 to 8:45 Sunday evening for young people of high school age. It is open all interested youth.

Looking for a good buy? Then look in the classified section.

Go to Church Sunday

Wednesday Night Pot Luck Meals Start This Week

A new type of Church night program will be instituted Wednesday, at the Orinda Community Church when members of the congregation will follow their customary "pot-luck" dinner beginning at 6:30 with a "Church Progress Conference" led by chairman of the church's three administrative Boards.

Mrs. Hugh Rieger will preside at the dinner which is arranged by members of Guild Section 4 under the chairmanship of Mrs. Douglas Watkins.

Conference leader is Donald P. Krotz, moderator and council chairman, who will introduce the three chairmen of principal Boards, A. W. Reid of the Trustees, W. J. Davison of the Diaconate, and Roy Nicolayson of the Christian Education Board.

Group conferences are to follow, with a summary and inspirational session to close the evening. The sharing of information and problems with the church membership and opportunity for suggestions as to progress goals is the chief purpose of the program according to Rev. Fred Morrow, minister of the church.

The dinner is open to the entire family of those attending, and motion pictures will be provided for children during the conference sessions.

The closing hour for Community Church dinners is 9 p.m. To facilitate arrangements, families planning to attend are asked to make reservations with Mrs. Watkins, Orinda 8171.

Miss Joy Will Lead Discussion

Miss Adena Joy of Berkeley began last Sunday a series of discussions at the 9:30 adult session of the Orinda Community Church under the general topic "The Development of Self-Awareness."

Miss Joy is a graduate of Oregon State College and Union Theological Seminary, and is now engaged privately in psychological counseling and child play therapy. She has had two important posts, the first as assistant professor of Speech and Counseling at Lewis and Clark College, Portland, and the more recent as Assistant Minister of Fellowship Church in San Francisco, where she was associated with Dr. Howard Thurman.

Her discussion schedule is to be flexible, in view of the participation technique, but she announces her general subjects as dealing with "Repressed Feelings," "Negative Emotions," "Competitiveness," "Parental Influence," and "Spiritual Goals."

The discussions are preceded by a half-hour chapel service. All are welcome.

Sunday Sermon to Consider Grace

The Lafayette Community Methodist Church will continue with the worship services at 8:30 and 11:00 a.m. The sermon at both of the services will be "The Grace of Decision."

At 9:30 a.m. there are Sunday School classes for all children from pre-kindergarten (those who will enter public school kindergarten next year.) through High School.

Registration for the year will be open all this month. At 11 a.m., the same hour that the second Worship service is held, there is Sunday School for Toddlers (babies) through the second grade.

The High School Fellowship will meet at 7 o'clock at the church.

about

Traverse Rods

By BILL SIMPSON

The most beautiful draperies are a pain in the neck if the traverse rods don't work properly. Every week we get calls for traverse rod service (on rods bought through the Tunnel, of course). And we consistently find that someone was sold a two-bit rod to do a four-bit job.

Many of you may not realize it but we have in our basement the most completely equipped traverse rod shop in the entire east bay area. (Ask Lafayettean Lou Tacchella, Kirsch's local big wheel.)

No matter how large your window or tricky the installation, we can make the rod for it, at a price that will be as low or lower than anywhere in San Francisco or Oakland. And no Key system traffic problems either.

For light-weight draperies we have the improved Kirsch stock size Empire Extension Traverse Rods at the following prices:

28" to 48"	2.35
48" to 86"	3.35
66" to 120"	4.75
86" to 150"	5.95

If you wish to save the installation charges, we'll show you how to put up any rod.

Cordially,
Bill

Wm. S. Simpson

Planning Essential In Modern Homes

Home owners read and hear advice all year on modern kitchen design, but National Home Week is an ideal time to sum up all the tips into a "package."

Here are what kitchen design experts and home economists consider the fundamentals of good kitchen planning:

1. Work centers. There are three basic centers which have to be provided for: Food storage and preparation; cleaning; and cooking and serving. They consist of plentiful storage cabinets and extensive as possible work surfaces of sanitary material like clay tile at each major scene of activity.

2. Arrangement. The important factor is what designers call "easy flow of work," step-saving arrangements of the centers to reduce walking to a minimum. U-shaped, L-shaped and "corridor" arrangements all are considered efficient, but the U-shaped kitchen, with the sink at the base of the U and the range and refrigerator at the tips is considered most time-saving. In the "corridor" type, all equipment is arranged along one wall.

3. Efficient storage. Experts agree that each of the centers mentioned in Point 1 must be provided with its own storage cabinets, so that the homemaker does not have to walk many feet to find out what she wants at her place of work.

4. Attractiveness. There's a lot of psychology wrapped up in a good kitchen, and color is an aid to homemaking good humor which doesn't cost a thing extra. Most authorities agree that light pastels and gray in the clay tile which forms the walls or wainscots, splashbacks and work counters are the most soothing to the housewife's eye.

5. Lighting. No kitchen is efficient unless windows and artificial lighting provide ample illumination at points of work. Lack of light induces fatigue and depression.

Camera Fans To Meet In San Lorenzo

The September monthly inter-club photographic competition sponsored by the Northern California Council of Camera Clubs will be held in San Lorenzo tomorrow at 8 p.m. at the San Lorenzo Community Center.

The host club will be the San Lorenzo Camera Club. The public is invited to attend the competition. Refreshments will be served.

Garages Today Much More Than Just Garages

National Home Week finds one part of the house — the garage — much improved in design.

The following description of one new garage design shows how versatile this space can be:

1. Wallspace used to best advantage with floor-to-ceiling storage for trunks, luggage, tools and out-of-season clothes and bedding.

2. Laundry facilities consisting of water heater, washer, dryer and easily cleaned clay tile sorting center all occupying one wall, with the equipment sharing plumbing lines with the kitchen sink on the other side of the wall.

3. Work bench for hobbies and repairs, and plentiful storage above it.

Depending on the family's needs, other plans may vary the non-auto functions of the garage.

Gas Ranges Vary In Size, Colors

Builders can install gas ranges that are available in a variety of sizes and colors. Staggered divided, and grouped top burner arrangements provide additional work in the immediate cooking range.

Giant burners can be used for fast cooking and hurrying a meal along, while simmer-controlled burners provide a slow, even heat. Two-way top burners — griddle and giant burner combination — may be converted to work space when covered with a porcelain panel.

Gas range models with front panels and burner controls that lift off are easy to clean. Other models have removable heat resistant oven windows, grates and top burners for the same easy cleaning.

MANY, MANY HOMES

According to some forecasters, the nation's population should hit 160,000,000 persons along about September. Also in September, the 50 millionth housing unit is due to be started somewhere. The National Association of Home Builders is hoping both events will take place in National Home Week, September 20-27.

HOME OWNERS

If FHA figures mean anything, the typical new home being bought today involves a mortgage of about \$6,300; with a valuation on the house of about \$10,000; a lot with a market price of around \$1,200, and a purchaser with an annual income of just under \$5,000.

Visit These Homes! It's National Home Week

Home Week Shows Kitchen Design

Home owners read and hear advice all year on modern kitchen design, but National Home Week is an ideal time to sum up all the tips into a "package."

Here are what kitchen design experts and home economists consider the fundamentals of good kitchen planning:

1. Work centers. There are three basic centers which have to be provided for: Food storage and preparation; cleaning; and cooking and serving. They consist of plentiful storage cabinets and extensive as possible work surfaces of sanitary material like clay tile at each major scene of activity.

2. Arrangement. The important factor is what designers call "easy flow of work," step-saving arrangements of the centers to reduce walking to a minimum. U-shaped, L-shaped and "corridor" arrangements all are considered efficient, but the U-shaped kitchen, with the sink at the base of the U and the

range and refrigerator at the tips is considered most time-saving. In the "corridor" type, all equipment is arranged along one wall.

3. Efficient storage. Experts agree that each of the centers mentioned in Point 1 must be provided with its own storage cabinets, so that the homemaker does not have to walk many feet to find out what she wants at her place of work.

4. Attractiveness. There's a lot of psychology wrapped up in a good kitchen, and color is an aid to homemaking good humor which doesn't cost a thing extra. Most authorities agree that light pastels and gray in the clay tile which forms the walls or wainscots, splashbacks and work counters are the most soothing to the housewife's eye.

5. Lighting. No kitchen is efficient unless windows and artificial lighting provide ample illumination at points of work. Lack of light induces fatigue and depression.

Air Conditioners Promise Comfort

National Home Week is a good time to consider the new comforts and conveniences provided by the Home Builders of America in the last decade, says the National Association of Home Builders.

Leading this parade of modern comfort-makers are automatic gas all-year air conditioners for installation in new homes.

These units — some as economically compact as a 2-ton gas unit — provide the home with both automatic summer cooling and winter heating. During summer operation the air is cooled, cleaned, circulated and moisture is removed when required. In winter, the conditioner warms, cleans, circulates and humidifies the air when necessary.

Always in great demand are

automatic gas winter air conditioning units. These fully automatic gas furnaces heat, filter and circulate the air, even humidify it if so desired. The units are compactly designed to allow for more space in the home as well as absolute comfort.

Jackets of the units are finished in a variety of colors making them suitable for installation in rooms other than the basement.

New Homes Make Dreams Come True

From top to bottom, in the design and construction of modern homes, builders have turned dreams into realities for National Home Week.

And no room shows more signs of this wonder-making trend than the kitchen, the room where Mrs. Homemaker spends the largest number of her working hours — more than 1,100 per year.

One major attraction in today's modern, well-planned and decorated kitchens is automatic gas appliances. Builders have found that completely automatic gas refrigerators and ranges, approved by the American Gas Association, are of longer-lasting construction, give proven performance and are completely safe in operation.

There are endless special features in gas ranges available to builders that will fulfill any family's needs and preferences to perfection. There are separate broiler and oven units built into the wall at convenient heights. Top burners can be set into the counter work surface of base cabinets.

Push Button Life Is Here to Stay

Push-button living is here — and to stay, say the nation's Home Builders for National Home Week.

Electric power and light — day and night — symbolizes the American way of living, the best way of living the world has ever known. Want to know why?

Now you can open your garage door before leaving your car. You just push a button on the dashboard.

The dirty dishes. You know, you don't have to wash 'em anymore. Stack them up in an electric dishwasher (all the leading appliance manufacturers are making them) and push a button. That's all. Look, no dishpan hands!

The week's dirty clothes, and Junior and Sis really can make 'em dirty. Just put them in an electric automatic washing machine. Push another button, and you're free to clean up the muddied carpeting. (Junior size mud tracks, of course) with one of the many top brand electric vacuum cleaners.

The ironing? Well, after your automatic washing machine does its job and the electric dryer leaves your clothes nice and fluffy, roll out the electric ironer and you're set for a short afternoon doing what used to be a back-breaking chore.

Air Conditioning Is on Increase

The newest and most rapidly growing contribution to better homes — year-round air conditioning — is featured in many of the models which will be on display during National Home Week.

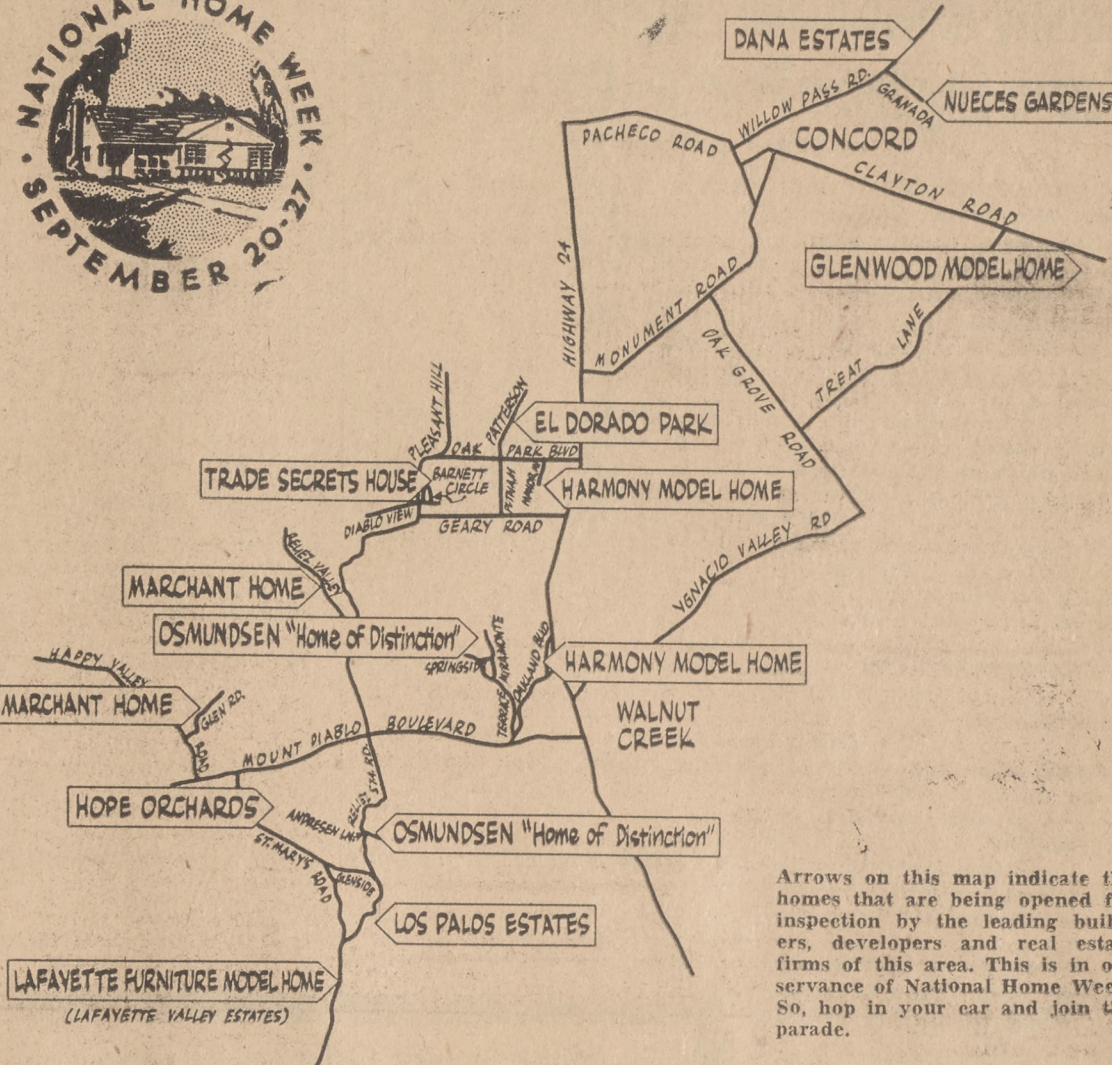

This year has seen wide and rapid acceptance by the public of complete air conditioning for residences.

HOME WEEK STARTED

National Home Week was originated by the National Association of Home Builders in 1948. It has become one of the most popular — and extensive — observances on the country's long calendar of special "weeks."

DREAM BATHROOM

"Ever hear of the dream bathroom?" A large group of home owners, the National Association of Home Builders reports, recently were surveyed on what they would include in a bathroom if money were no object. They suggested tubside telephones, television sets, built-in radios, bookshelves, ashtrays, reading lights, a receptacle for refreshments, exercising devices and a chaise longue for taking post-bath naps.

Arrows on this map indicate the homes that are being opened for inspection by the leading builders, developers and real estate firms of this area. This is in observance of National Home Week. So, hop in your car and join the parade.

Electricity Is For Better Life

"Electricity for Better Living" is a symbol of the present-day high standard of comfort, convenience, health and well-being in many National Home Week exhibit homes. This was not an accident. On the contrary, it was a perfect example of free enterprise at work. It came about in this manner:

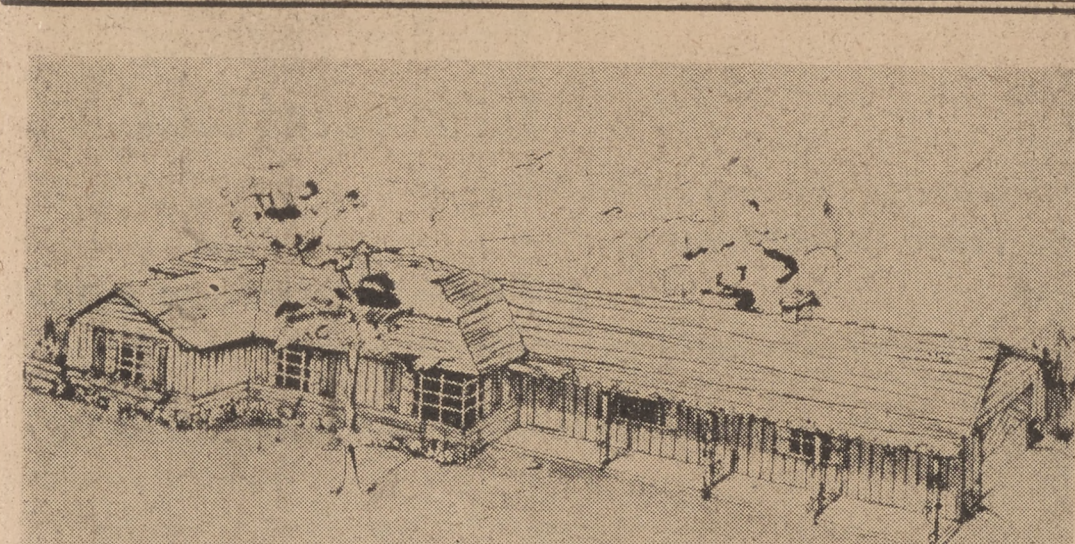

A few short decades ago the local electric utility was known — and with reason — as "the lighting company." It had little other business.

Air Conditioning The Latest Trend

The most conspicuous single trend in new homes this year has been the big movement to year-round air conditioning, the National Association of Home Builders points out in connection with National Home Week.

Complete year-round air conditioning means cooling and dehumidification in summer, heating and humidification in winter, and air cleaning and ventilation every day in the year.

Air conditioning puts complete control of indoor climate at the finger tips of the housewife. It means greater comfort, better family health, less house work and more convenience than was ever before enjoyed by the members of a family regardless of the type of residence it occupied.

SPORTS

County High School League's Football Teams Engage in Practice Games Today

By ERWIN MATSON

THE COUNTY PREP GRID PICTURE will be clarified somewhat today when the teams composing the league play practice games.

Most teams in the circuit lost large numbers of standout players via the eternal graduation route and much will depend on how replacements come through.

The peculiar part of the picture is that despite heavy graduation losses most clubs appear even stronger than last year.

Contra Costa County is growing and the growth is certainly reflected in the school athletic picture.

Bay Area schools, not so long ago, looked down their noses at their country cousins, but in view of recent competition the cousin has grown up and appears to be able to take care of himself in all forms of athletic endeavor.

This will mark the end of outside league competition, as far as the grid game is concerned, until such time as the league chooses to divide.

Las Lomas and Pleasant Hill will make the eighth and ninth teams, giving everyone a full schedule of eight league games, with a bye thrown in for good measure.

BASKETBALL and BASEBALL are practically an all-league affair now, with but one practice tilt with outside competition on each schedule.

A new first-class diamond will become a part of the baseball league when Antioch finishes plans for its new school. Already in the process of construction.

A grassed diamond is in the making as well as a fine new gymnasium.

The diamond addition will be a most welcome one, as Antioch's play area has been the county's poorest and has been often referred to as the "cow pasture" which was a pretty apt description.

OF INTEREST IS THE announcement by the "53" Club of Oakland that six scholarships will be awarded to athletes of the Bay Area during the current school year, each with a value of \$500.

The award will be on the basis of grades and sportsmanship, with no strings attached as to the school to which the student may go.

The "53" Club is composed of that number (53) of members, each of whom is interested in youth and athletics.

The organization started several years back, and, for want of a name, took the year and decided to change the name with the passage of each year and add a new member at the same time.

One thing certain is that it is a "steady and growing" group.

PERT AND PRETTY Barbara Stark, Acalanes' pride and joy of the swimming world, has decided to rest for two months after a successful summer program which found her stopping the clocks at record-breaking time nearly every time she entered the pool.

Barbara is the national backstroke champion, and, the way she is going, plans to wear the crown for some time to come.

Her big goal is the next Olympics.

Lloyd Torchio, the Dons' current grid attraction at Cal, appears headed for big things this season, particularly after last Saturday's three-hour scrimmage, in which he stood out as an offensive center and a defensive line blocker.

Plans at the present call for him to see a great deal of duty, starting tomorrow, when the Golden Bears face Baylor in the Berkeley Stadium.

Over Contra Costa Junior College way, Bob Borghesani figures to repeat as an all-conference end, as a result of his outstanding work to date.

In addition to Bob, two ex-Dons loom high on first-string rating, with Jim Champion in a tackle spot and Sammy Indelicato operating in the all-important quarterback position.

Both worked their way up the ladder the hard way, and, on the basis of recruit workouts, could be in the starting lineup.

Bud Turner is another ex-Don who is having a whirl at J. C. ball. Limited in experience, he is making up for a lot of it with an attitude of determination and work that one can't help but admire.

COLLEGE BALL will require more versatile players as a result of the loss of the platoon system, and many old-timers feel it will produce better players and better ball.

Knights Start Grid Play, Face Dons Next Friday

Las Lomas High has some 50 out for football.

On the basis of its record last year, the school appears ready and fit to do better than all right in the Junior Varsity circuit.

UNDER THE GUIDANCE of a new head mentor, George Deklotz, and his assistant, Merrill Callow, the Las Lomas Knights have been undergoing daily drills stressing basic fundamentals, conditioning work and learning play assignments for the T and Notre Dame box formation, which they will use as their offensive weapons.

The Knights have every player back from last season.

The Knights were scheduled to open the season yesterday at Concord, where they were to meet the Diablo Devils.

THE BIG ONE of the season comes next Friday night, when they tangle with the Don Babes under the arc lights of Acalanes Memorial Field in an 8 p.m. game.

The lineup for first team is a fluctuating thing at this point, with several spots an even-steven battle.

TENTATIVELY, the lineup as announced by the coaching staff is:

L.E. — Dick Jordan (Jr.), L. T. — Arnold Lande (Jr.), L. G. — Ted Zeller (Jr.), C. — Gary Williamson (So.) or Dan Kautert (Jr.),

R. G. — Jon French (Jr.), Ken Green (So.), or Wes Johnson (Fr.), R. T. — Arney Lundquist (Jr.),

R. E. — Marvin Hobbs (Jr.), Q. — Bob Lucas (Jr.), F. — Bob Kinyon (Jr.),

L. H. — Rick Ostrom (Jr.), R. H. — Don Ogden (So.),

Visit the Many Display Homes Open During National Home Week

Viking-Bear Cub Opener Tonight

Overloaded with outstanding first-year prospects, the East Contra Costa Junior College Vikings tonight launch their 1953 football campaign with a game against Santa Rosa Junior College in the Bear Cub Stadium.

Kickoff is scheduled for 8 p.m. This will mark the first grid meeting between the two teams.

COACH HAL BUFFA's main concern is at quarterback, where little progress has been made. Halfback Sonny Correa of Emeryville worked out at the spot this week. He played the position while with the Camp Crawford Army team in Japan last season.

Rod, Gun Clubs Plan Convention In Walnut Creek

A joint convention of the Diablo and West Point Rod and Gun Clubs will be in Walnut Creek September 12 and 13.

Known as the Tule Rooters and the Poison Oakers, respectively, the two sportsmen organizations regularly meet for outings in the two communities.

The two-day session will include salmon and deep sea fishing expeditions and trap shooting events, in addition to a dinner and dance Saturday night.

The trap shoot will be held Sunday, with the winning team receiving a leg on the new trophy for which the two clubs compete. High individual shooter will also receive a trophy.

Dons Open Season Tonight Against Rugged Highlanders in Piedmont

The Acalanes 1953 grid machine moves into action tonight when the Dons travel to Piedmont, where they will tangle with the highly touted Highlanders under the arc lights, with the opening kickoff set for 8 p.m. sharp.

The Dons, heavy-hit by graduation, have come up with what appears to be a better-balanced eleven than was the case last year, when they had but a single regular to start off with.

Heavily loaded with Seniors, the

Dons could develop into one of the county's better elevens, and tonight's opener could tell a good part of the story.

THE TENTATIVE starting lineup is an all-Senior aggregation, with Bob Kinney and Dennis Hollenbeck in the end spots, Jim Hart and Gil Hanawalt in the tackle positions and Martin Murphy and George Fortado rating the No. 1 guard spots.

Gary Howerton gets the call at the pivot position, while Bart Perro calls the play as quarterback.

with John Champlin at right half, Ray Williamson in the fullback slot and either Bob Carlson or Richard Munn getting the call at left half.

A HOST OF OTHER players stand by, ready for action, and chances are that a good number of players will see action in an attempt to place players under fire prior to the league opener two weeks hence, with Pittsburg furnishing the opposition.

Piedmont reputedly has a fine eleven and will be an acid test for the Dons, but if practice sessions are an indication the Dons can and will be ready.

Piedmont's big advantage lies in the fact that it has several weeks of spring practice, which should put its players farther ahead in finesse, as far as team play goes.

SMILING HAPPILY after their wedding September 6 are Mr. and Mrs. James Brown, Mrs. Brown, the former Frances Kierman, is the daughter of Mr. and Mrs. Jack Kierman, 11 Scenic Drive, Orinda, and her husband is the son of the Edward Browns of Walnut Creek. The ceremony was performed at St. Mary's Catholic Church in Walnut Creek and was followed by a reception for about 400 guests and friends at the bride's parent's home.

Puppet Show Planned by Therapy Unit

The first fall meeting of Humpty Dumpty Chapter, Children's Home Society of California, was recently conducted by Mrs. Robert N. Boward, president.

The principal business of the meeting was the completion of plans for the Punch and Judy puppet show to be sponsored by Humpty Dumpty Chapter at the Walnut Festival in Walnut Creek, September 24 through 27.

Of special interest to children and grown-ups alike, the Punch and Judy Show will be presented by Mrs. Richard Derby, talented puppeteer of Pleasant Hill. In addition to the puppets in the cast of the show, will be a like parakeet, to play the role of the parrot.

Mrs. Derby has given shows for the Juvenile Hall in Martinez, and has also entertained Pleasant Hill school children with her amusing collection of puppets, all of which are made by her, as are the props and scenery used in the productions.

Several television and radio appearances have been scheduled in connection with the Punch and Judy Show. Mrs. Boward was interviewed on the Del Courtney television show, to explain the aims and purpose of the Children's Home Society, while Mrs. Derby presented a sample of the Punch and Judy Show, as a preview of the Walnut Festival performance.

Yesterday Mrs. Derby again appeared with her puppets on the Marjorie Trumbull television show. She will also be a guest on Ann Holden's radio program on Tuesday.

General chairman of Humpty Dumpty Chapter's Punch and Judy Show committee is Mrs. Samuel Chas. Derby. Other members working with her are Mrs. Thomas Brooks, art chairman; Mrs. James Warren, personnel chairman; Miss Alexander Gillis, properties chairman, and Mrs. Warren Nattress, publicity chairman.

Proceeds from the puppet show will be used to aid in the work of Children's Home Society of California, statewide private adoption agency. Hourly performances will be presented during the four-day festival.

Many members of Humpty Dumpty Chapter are planning to attend a dinner and dance given by the East Bay Council of Chapters. The affair will be at the Castlewood Country Club on Saturday, October 17, and will be attended by members of all the East Bay chapters, for the benefit of Children's Home Society.

The next meeting of Humpty Dumpty Chapter will be held on Wednesday, October 14.

FORBODING FIGURE WITH DANCERS . . . is what this picture might be called. "Forboding Figure," a modern sculpture by Stuart Harwood, was an entry in the Fifth Annual Art Show held in Lafayette last week. The dancers, members of the Mauna Keolu group, are Marta Scott of Alamo, top, and Jean Turman of Walnut Creek. They presented Hawaiian dances at the show. — SUN photo by Henry Young, Studio Center.

Robins Ready for Supper, Fashion Show and Benefit

The Robin Unit of the Mt. Diablo Therapy Center reports that reservations are mounting for its annual benefit affair.

Tomorrow evening will find the lights on brightly at Turtle Rock Ranch on North Gate Road near the summit of Mt. Diablo. A full evening of entertainment has been planned by Mrs. King Tolles, general chairman and her committee for the pleasure of those in attendance and for the profit of the Mt. Diablo Therapy Center.

Cocktails and a buffet dinner will be served. The highlight of the evening will be the fashion comments of Mr. Paul Speegle, columnist. Since husbands will be in attendance the fashions will be keyed to the male interest.

Hill N' Dale of Lafayette is furnishing the fashions and Klement Furs of Oakland will provide the glamorous furs.

The Jack Horner Trio will furnish music for dancing to complete the evening. There will also be games for those who prefer.

Anyone desiring reservations may call Mrs. Edward Hensley at Mulberry 5-5907 or Mrs. King Tolles at Mulberry 2-9323. This is open to the public.

Funds derived from this benefit will go to help the Mt. Diablo Therapy Center meet its daily obligations in the rehabilitation of those who are crippled or injured.

Lincoln Family Has Busy Vacation Time

The William Lincoln family, 2 Kittiwake Road, Orinda, has had a busy vacation time.

The entire family, including a new of twins, spent a week at Tahoe. Mrs. Lincoln returned from Hawaii by plane last week after visiting friends there for a week, and Bill, Beth and Ann Masie flew to Los Angeles.

During the trip they became acquainted with the Stratocruisers, which their father flies between San Francisco and the Orient.

He is a flight engineer.

Lombardy Successful With First Party

The members of the Lombardy Branch of the Children's Hospital of the East Bay have their husbands, friends and the weather to thank for making their first social event such a grand success.

It was a "Get Better Acquainted Party" Saturday night on the patio of the home of Mr. and Mrs. Nels Lambert.

Mrs. Joseph Downs was chairman with all members assisting.

Flowers, Frocks Bloom at Fall Tea Of Nursery School

Fall flowers and frocks bloomed among the green gardens of Mrs. Eugene Shurtliff, 570 Miner Road, Orinda, Wednesday afternoon when members and visitors of the Orinda Nursery School Association met for their annual "get acquainted" tea.

Hostess for the opening Nursery School social activity this year was Mrs. Edmund F. Cardin, assisted by committee chairmen Mesdames Edward Pike, William Scott, W. F. Penney and J. L. MacDonald.

GREETING OLD AND NEW mothers of the school's nursery set were new officers, headed by Mrs. Russell M. Gilwee, president.

With her were Mrs. Scott, vice-president and program chairman; Mrs. L. H. Kentfield Jr., secretary; Mrs. Frank J. Cayting, treasurer for the Monday-Wednesday-Friday group, and Mrs. Frank P. Fuller, treasurer for the Tuesday-Thursday group.

OTHER OFFICIAL hostesses were the school's representatives on the Country Club side, the Moraga side and Lafayette, respectively the Mesdames John S. Edwards Jr., William H. Faist and John H. Klass.

Also receiving guests were committee chairmen appointed for this year. These are:

Mrs. John E. Grant and Mrs. Kenneth C. Mirov, in charge of maintenance; Mrs. Stanley Massie, publicity; Mrs. J. Gordon Ainsworth, telephone; Mrs. Harry R. Clemons Jr., membership for the Tuesday-Thursday group, and Mrs. Robert S. Farrell, membership for the Monday - Wednesday - Friday group; Mrs. William M. Gillis, parent participation, junior group, and Mrs. J. W. Milton, parent participation, senior group; Dr. O. A. Brunetti, health; Mrs. Layton Shurtliff, education, and Mrs. William Brock, dance.

Jewish Group Holds 'Pre Vue' Party

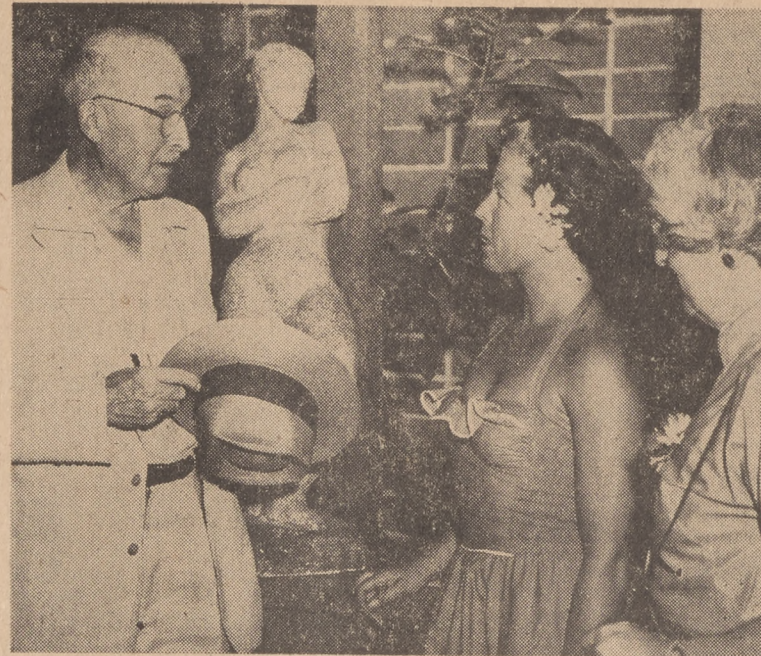

A combination Pre-Vue Party and Labor Day celebration was held at the newly acquired Jewish Community Center on Monday, September 7, on the site of what was formerly known as Planter's Dock.

Approximately 76 people arrived in the late afternoon for cocktails, followed by a box supper, games and dancing. The affair was sponsored by the League of Jewish Women under the leadership of Mrs. Hy Wiseman, social chairman.

Peggy Gompertz At Castilleja

Peggy Gompertz, daughter of Dr. and Mrs. John Langdon Gompertz, 18 Santa Lucia, Orinda, entered Castilleja School Monday.

She will take her prep schooling there this year.

"AN EXCELLENT SHOW" says Professor Eugene Neuhaus, Orinda resident and former director of the art department at the University of California. At preview night of the Fifth Annual Art Show last Friday, Professor Neuhaus and his wife, right, chatted with Mrs. Donald MacVean of Alamo, chairman of entertainment for the affair. — SUN photo by Henry Young, Studio Center.

Art Enthusiasts Throng to Annual Show in Lafayette

Hundreds of delighted art enthusiasts attended the Fifth Annual Art Show in Lafayette last weekend to view the works of artists and craftsmen from the Bay Area.

Directors of Outdoor Art Shows, Inc., sponsor of the largest art event in Central Contra Costa, said the show equaled and surpassed previous exhibitions.

Professor Eugene Neuhaus, former director of the art department at the University of California and one of three judges of the painting and sculpture divisions, described the affair as "a really excellent art show."

HE SAID the show reminded him of art events in New York and San Francisco.

In addition to the art and craft exhibits themselves, art-in-action demonstrations and musical, dance and marionette performances attracted show-goers.

Leading off on preview night were the Mauna Keolu dancers, a talented Hawaiian dance group featuring Pauline Henderson, Bee Phillips, Marjorie Strough, Marta Scott, Dell Davis, Edith Dahl and Jean Turman, under the direction of Louise Cabral, with Jack Turman as narrator.

The same evening Calypso dances were performed by the Charles Gibbs and the John Barkleys.

Mrs. Michael Czaja charmed listeners with songs and guitar selections.

SATURDAY AFTERNOON Hilda Probert, Leland Holder and Bob Atkinson presented rare Czechoslovakian and Italian marionettes in "The Magic Sword," a fairy tale complete with smoke-breathing dragon and ghosts. Music for the fantasy was furnished by an old-fashioned music box.

Saturday evening a piano duo, Mrs. T. J. Fahay and Mary Kiser, played an exciting variety of piano selections including everything from Bach to boogie-woogie.

Mrs. Fahay teaches piano and or-

gan in Orinda. Sunday afternoon the Danville Chamber Music Group played numerous compositions including a medley from Gilbert and Sullivan, "Jealousie" and "The Berceuse" from Jocelyn.

The group is composed of Lillian E. Burford, piano; Jean Ditto, violin; Harriet French McNeil, violin; Marian Frank, viola, and David Comstock, cello.

JOINING THE GROUP was Forest Englehardt, who also played violin and sang a German folk ballad.

In the evening LuRene Mattson, harpist; Alyce Thomson, flutist, and Virginia Blair, lyric soprano, performed.

Virginia Blair, formerly of the San Carlos and Savoy Comic Opera companies and now a Lafayette voice teacher, sang "Smoke Gets in Your Eyes," "The Merry Widow," "Through the Years" and other selections.

Alyce Thomson, a flute teacher in Concord, joined Mrs. Mattson in playing "Nola." Wearing a gold brocade gown in harmony with her harp, Mrs. Mattson also played "The Blue Danube" as a solo.

Monday night Mrs. Fahay and Mary Kiser again charmed show-goers with another group of varied and colorful piano numbers.

Due to illness, a string trio originally scheduled for Monday night was unable to appear.

Designed by Blair Werness, the annual art show was held this year in the Jellet Building, Suburban Shops, in Lafayette, a spacious structure of contemporary design which was graciously donated by Mrs. Matthew Jellet.

Nielsens at Yosemite

Mr. and Mrs. Mel Nielsen, of Ridge Road, Lafayette, vacationed for three days at the Ahwahnee Hotel in Yosemite last week.

Monday Meet For Business Women's Club

Colored movies and a talk on schools in Hawaii will be the feature attraction at the social gathering of the Lafayette Business and Professional Women's Club Monday night at the home of President Ethel Fowden, 990 Moraga Road, upstairs of the Greyhound bus depot.

The meeting will start promptly at 8 p.m., according to Vice-President Neil Kennedy.

"Theme of the meeting will be 'Education and Vocation,' and the film and talk on Hawaiian schools will fit into this theme," Mrs. Kennedy said.

Mrs. Marie Fowden of San Francisco, sister-in-law of the club president, will show the movies and give the talk. She took the pictures herself, and her lecture will cover highlights of her observation while visiting the Islands.

The club's rummage sale August 29 at the Coast Counties building in Walnut Creek was "very successful," Mrs. Kennedy reported.

Oak Grove Unit To Start Meeting Season Monday

The first meeting of the fall season for the Oak Grove Home Department will be held Monday at the home of Mrs. R. F. Williams at 401 Pine Creek Road in Ygnacio Valley at 12:30 p.m.

A salad luncheon will be served and Mrs. Mary Williams, county home advisor, will speak on better home living.

Mrs. Frank Watson and Mrs. A. F. Gaylord will aid Mrs. Williams as co-hostesses at the meeting.

Officers who will take over for their first meeting are: Mrs. Dante Lattorno, president; Mrs. George Fox, vice-president; Mrs. Herbert Hammond, secretary.

Mrs. Fox, who is also county home department chairman, will attend a leadership conference Monday through Wednesday at Asilomar Conference Grounds sponsored by the State Home Department.

Other Oak Grove Home Department members who offices in the County Home Department are Mrs. Kenneth Ferrell, treasurer; Mrs. George Butterfield, citizenship chairman; and Mrs. Herbert Hammond, publicity chairman.

Local Girls to Enter Stephens

New students this fall at Stephens College in Missouri are Betsy Boyd, daughter of the M. E. Boyds, and Ada Marie Vittaly, daughter of M. E. Vittaly, both of Lafayette.

Hundreds of "Stephens Susies" from each of the 48 states and from 20 foreign countries and territories converged on Columbia, Mo., by train, plane and car for the opening of the fall term at Stephens College this week.

Soon after their arrival Stephens students were officially welcomed by President Thomas A. Spragens in a convention marking the beginning of the 121 year since the founding of the school in 1833.

Barbecue for Mills Group Tomorrow

The F. A. Marshall residence on the Danville Highway in Walnut Creek will be the scene of the annual fall barbecue of the Mt. Diablo Mills College Club tomorrow at 6 p.m.

The affair serves each year as a get-together of a purely social nature for members and husbands.

Mrs. Edward H. Conner, president, is acting chairman, and will be assisted by members of the board of governors and their husbands.

Among these are Mrs. William Spencer, vice president, who is handling arrangements for the surprise entertainment, and Mr. Conner and Mr. Spencer, who found

themselves drafted as co-chairmen of the parking committee.

Others include Mrs. Howard W. Paine as chairman of the supper committee and Mrs. Stewart Wade, Miss Clarisse Bois, and Mrs. Francis E. Murphy on the arrangements committee.

Serving as co-chairmen of the clean-up committee are Herbert W. Von Colditz and George S. Coblenz Jr., aided by their wives.

Mrs. Conner announces that all members of the Orinda Mills College Club have been invited to attend. The telephone committee is contacting all members of the local club, and members attending will be asked to contribute casseroles or salads.

Here Comes The Bride

Patricia Teiche, Captain Dorn Wed In Evening Rites

In a beautiful candle-light and double ring service in the Chapel of Orinda Community Church Saturday evening, at 7 p.m., Patricia Elizabeth Teiche became the bride of Captain Walter Everett Dorn.

The bride is the daughter of Mrs. Hannah Teiche and the late Frank Teiche of 201 Orinda Highway. She is a graduate of the University of California and a member of the American Association of University Women, and taught a year in Carleton School, Humboldt County.

Captain Dorn is the son of Mr. Walter Dorn and the late Mrs. Grace Dorn of San Francisco. He is a graduate of West Point Military Academy.

BEFORE THE MARRIAGE ceremony, performed by the Rev. Fred Morrow, Daniel Popovich played a number of organ solos. These were followed by the singing of the two beloved songs "I Love You Truly" and "Because" by Margaret Popovich.

Preceding the wedding group, Mrs. Hannah Teiche was ushered in. She looked lovely in a deep-hued blue floor-length lace and tulle gown. To the strains of Here Comes the Bride the matron of honor, Mrs. Robert Johnson approached the altar which was lighted with white candles and decorated with arrangements of white gladiolas and masses of green laurel leaves.

She wore a pink floor-length lace and tulle gown, long pink gloves, pink slippers, and carried a bouquet of pink tuberous begonias and wore one in her hair.

THE BRIDESMAIDS, the Misses Phyllis Brown, Margaret Meyer, Eileen Horvey, and Helen Barth, all wore long blue gowns of lace and tulle, pearl necklaces, white slippers, and carried bouquets of pale pink gladiolas with matching flowers in their hair.

Best man was Captain Frank McClaflin of Fort Bliss, Texas. The ushers were Messrs. Leland Anderson, Perry Silvers, Gary Reick, and Ken Ernst. They wore white coats and boutonnieres of white carnations.

The bride looked beautiful in her white gown of Chantilly lace and nylon tulle with its fitted bodice, vee neck, and long tulle sleeves, and skirt falling to chapel sweep.

Her finger tip veil of bridal illusions was caught in a Juliet of soft pleated tulle scattered with pearls. She wore a pearl necklace and carried a prayerbook and a bouquet of white orchids and bouvardia.

The bride was given away by her brother, Frank Teiche.

FOLLOWING THE WEDDING a reception was held in the bride's home which was decorated with dahlias and white stock. This was attended by about 200 friends and relatives. After felicitating the happy couple and viewing the gifts refreshments were served in the floodlighted garden. The Teiches are very well known in Orinda having lived here since 1930.

Frances Kierman, James Brown Wed in Afternoon Rites

Frances Kierman became the bride of James Brown September 6 in an afternoon ceremony at St. Mary's Catholic Church in Walnut Creek.

The bride, the daughter of Mr. and Mrs. Jack Kierman, 11 Scenic Drive, Orinda, wore a tulle gown with a net bouffant skirt and a fingertip illusion veil. She was given in marriage by her father.

SHE CARRIED a bouquet of white orchids, bouvardia and lilly of the valley down the aisle and was attended by her sister, Patricia Kierman, as maid of honor.

Attendants were Adele Gorman of Orinda, Beverly Day of Concord and flower girl Janet McCarthy of Gregory Gardens. Danny Kierman was ring bearer for the double ring ceremony.

The groom, son of Mr. and Mrs. Edward Brown of Walnut Creek, asked Ralph Day of Concord to perform best man duties. Ushers were Richard Brown of Clear Lake and Russell Kennerley of Walnut Creek.

A CHAMPAGNE reception for between 300 and 500 guests was held at the home of the bride's parents following the ceremony.

Rites were performed by Father David Harrington of Orinda.

Both are Acaelans High School graduates. Frances is now working at the American Trust Company in Orinda.

The honeymoon was spent at Lake Tahoe and the couple now live in Concord Estates.

Thomas Browns Fete 50th Wedding Date

Mr. and Mrs. Thomas L. Brown, 278 Orchard Road, Orinda, celebrated their 50th Wedding Anniversary with a reception at St. Mark's Episcopal Church in Berkeley Tuesday.

Approximately 100 people came to congratulate the Browns, including relatives Mr. and Mrs. John S. Brown of Boston, Mass., and Mrs. Charles E. Leigh, Minneapolis, Minn.

Mr. and Mrs. Brown have children Mr. and Mrs. Clinton Easterbrook living at 39 California Avenue, Orinda, and Miss Ellen Brown of San Francisco.

The entering class, including 340 freshmen, will be welcomed by a special group of juniors and then will take part in a three-day orientation program, consisting of tests, assemblies, a reception and picnic.

Represented among the new students are 34 states and territories and 15 foreign countries, including Turkey, France, Norway, Italy, Korea, Venezuela and Germany.

Junior Women Will Hear Mrs. Nutter, Aid Community Club

The Lafayette Junior Women's Club will be honored to hear Mrs. Loren D. Nutter speak on "What a Junior Woman's Club Has to Offer" Monday.

The speaking at which Mrs. Nutter will speak will be held in auditorium "A" of the Lafayette Grammar School at 8 p.m. She is second vice president of the California Federation of Women's Clubs.

On September 28 there will be a board meeting of the Lafayette Juniors at the home of Mrs. Adin Wilson, 444 Florence Drive, Lafayette.

At the August 31 meeting, the club voted to make the Community Center the philanthropic project for the year. Ways and Means Chairman Mrs. J. Elliott Dunn is working with the philanthropic chairman, Mrs. Paul Lanterman. Members are giving their time to the Community Center by working in the office.

Mrs. Joel Kitchens is one of the captains who will direct the campaign.

Tanagers to Meet Wednesday Evening

The Orinda Tanagers will meet Wednesday at the home of Mrs. Sterling P. Smith, 234 Manzanita Drive, at 8 p.m.

New officers for the year will take over the management of the club. They are, president, Mrs. Charles L. Smith; vice president, Mrs. William Cary; recording secretary, Mrs. James Seaman; corresponding secretary, Mrs. Victor Baumhoffer, and treasurer, Harl Tyler.

Reiding president is Mrs. Allan Waddell.

At the meeting Richard Wetzel, new executive head of the Mt. Diablo Therapy Center, and Al Brennen, campaign coordinator for the center building fund drive, will be present.

WC Garden Club To Begin Season

The Walnut Creek Garden Club will hold its first meeting of the fall season Monday at the home of Mrs. Phillip Simmons at 1029 Homestead Avenue in Walnut Creek at 1:30 p.m.

Tea will be served and members will hold a business session and discuss fall planting.

New officers who will preside at their first meeting will be Mrs. George Hoffschneider, chairman; Mrs. Charles Embree, program chairman, and Mrs. Floyd Smith, secretary.

Shepard Visiting In Mexico City

Newly arrived in Mexico City is W. Shepard of 141 Circle Dr., Walnut Creek.

While in the Mexican capital he is making the Hotel del Prado his headquarters. He has visited Acapulco and Veracruz.

When we came West, we learned . . .

Gas and electricity are cheap in California

say the A. E. Trudels, of Stockton, shown with their children

How P. G. and E's low rates save the Trudels money

In their Stockton home, the Trudels use these appliances for more pleasant, convenient living:

The Trudels' P. G. and E. bill (recent month) . . . \$10.37

In their former home, the same amount of gas and electricity would cost . . . \$25.67

Among the many advantages of California living, one of the first discovered by Mr. and Mrs. Trudel when they moved West last year was the low cost of gas and electricity. They found these services cost far less here than in their former home.

With P. G. and E.'s combined rates actually lower now than in 1933, let bargain gas and electricity do more of your work . . . give you added leisure.

PRIME RIB

Second Unit Needed By Nursery School

Guest Editorial

By HARRIET AINSWORTH

Publicity Chairman, Orinda Nursery School Association

The Orinda Nursery School Association, cooperative institution approaching 20 years' standing in the community, would like to comply with increasing public demand for expanded facilities.

Specifically, the need is for a nursery school on the Moraga side of the Crossroads, in addition to the school the association now operates on the Village side at Orinda Community Church.

This expansion is known to be desirable in view of:

1. The long waiting list of applicants for the present school.

2. The increasing number of disappointed parents whom the association is only able to place on the waiting list.

3. The growth in population which can be expected on the Moraga side in the near future—and the need to provide a more conveniently located school for the people there.

The association has been seeking a suitable site. Actively aiding in this quest is a committee of residents of the Moraga side.

The concept of modern education has progressed, in the viewpoint of both educators and parents, to embrace pre-school training. In this country that has been the case rather lately, as compared to Britain and some other European countries.

In addition, kindergarten teachers locally have said that the children coming into the Orinda schools who have attended nursery school have an opening advantage: they are already part of a group.

The Orinda Nursery School Association is anxious to give this training to the burgeoning number of children in the community who need it and whose families want it for them.

By the way, the Orinda Nursery School is not a child care center in today's accepted sense of the phrase.

This school provides two three-hour periods a week for the younger class (3 to 4) and three three-hour periods for the class to enter kindergarten the following year.

Parents of pupils accepted must attend workshops and lectures on best methods of handling the pre-school child, as well as regularly assist the teaching staff, when they observe as well as work.

Lack of participation on the part of the parents results in their children being dropped from the school.

The Orinda Nursery School enjoys an enviable reputation among nursery schools of the entire Bay Area. In addition, it is an institution regarded as an integral part of the "village life" or "country neighborliness" or whatever you want to call it that exists here, on the margins of large, impersonal cities.

Mrs. William Patterson, director of the Orinda Nursery School, recently completed a summer Workshop in Child Development course at Mills College. Some of the comments offered at that course help stress the value of the local institution:

It is an accepted fact that in the years from birth to 5 the effect of adult influence on each child is tremendous—more than at any later period in the child's life. . . .

"Nursery school provides for young children the conditions and opportunity for sound growth and maximum development so that the needs of young children will be both fully understood and met."

The Orinda Nursery School is a necessary institution in this community. It also has pupils from the Lafayette area.

Urgency of its expansion is obvious. Early establishment of another unit on the Moraga side will fill a long-felt and steadily increasing need.

Joe Conley Now In East for School

Joe Conley, son of the Joseph and will live in Butterfield Hall Conleys of 28 El Verano, Orinda, left Saturday on the California Zephyr for Hanover, New Hampshire where he will attend Dartmouth College.

He will be a pre-medical student last June.

A personal number list helps to *speed your long distance calls*. . . . Whether it's a birthday call to the folks back home, or an important business call across the nation, you'll save time if you give the operator the out-of-town number you're calling, rather than just the name and address.

A free personal number booklet . . . for the local and out-of-town numbers you call most often . . . is yours for the asking. Just call, send a postcard, or drop in to your nearest Pacific Telephone business office . . . and start your personal number list today.

emergency calls may arise while you are using your party-line. If a telephone neighbor breaks in and explains the emergency, it's always thoughtful to hang up and complete your call later.

Who, ME?

In nine out of ten traffic accidents last year, the driver—not the car—was at fault. Only YOU can prevent accidents!

Bright Future for County Predicted

A bright outlook for the continued economic growth of Contra Costa County was voiced here today by J. D. McCall, General Superintendent of Pittsburg Works of U. S. Steel's Columbia-Geneva Steel Division.

Addressing the Contra Costa Real Estate Board, he reviewed real estate and industrial developments in recent years and said that in his opinion the potential impact of these "presents a real challenge to everyone working and living in this community."

Availability of good industrial land, plentiful water, excellent railroad facilities and highways for transportation support his enthusiastic forecast for the future industrial development of Contra Costa County, Mr. McCall asserted.

HE POINTED OUT that new manufacturing operations in the area are for the most part not just a temporary defense type of industry boom, and he emphasized that the growth in the number of new business operations and the modernization and expansion of older plants "is a healthy sign for the economic well-being of this community."

He lauded the Real Estate Board for its community service and the part it has played in meeting the housing and business needs that have mushroomed throughout this area during and since World War II.

"The unprecedented influx of families in recent years has certainly presented all of you with a lot of housing headaches," he said. "You have met these problems well, and thousands of happy homes are evidence of the good work you have done."

Finance Specialist Studies Budget For Taxpayers

Frank Irwin, state affairs counselor for the California Taxpayers' Association, has completed two weeks in Martinez reviewing the 1953-54 proposed county budget.

A specialist in finance, Irwin met several times with the Board of Supervisors and the county administrator to go over the points he had raised after analyzing the new \$22,868,407 county expenditure program.

WORKING in conjunction with the Contra Costa County Taxpayers' Association, he checked the accuracy of revenue and expenditure estimates, the funding of various departmental programs and local governmental fiscal trends.

Irwin expressed concern that although the tax rate was not increased this year, there is a danger that it will have to go up next year because of capital outlays that have been postponed, and because the above-average salary levels will have to be maintained. He felt that after the four-year road program is completed, it may be possible to cut back total expenditures.

GENERALLY, the analyst felt that budgeting in Contra Costa County was better than in most counties, particularly in regard to auditing and control of funds. He also stated that the County Taxpayers' Association is among the strongest and most active in the state.

Earlier in the year Irwin, who makes his headquarters in Sacramento, worked with the county association in reviewing the Junior College budget. Out of this work came a recommendation that the college could cut back slightly in its expenditure program.

Begin Community Orchestra Classes

Rehearsals of the Community Orchestra begin next week at Acalanes High School and at the East Contra Costa Junior College, it was reported this week.

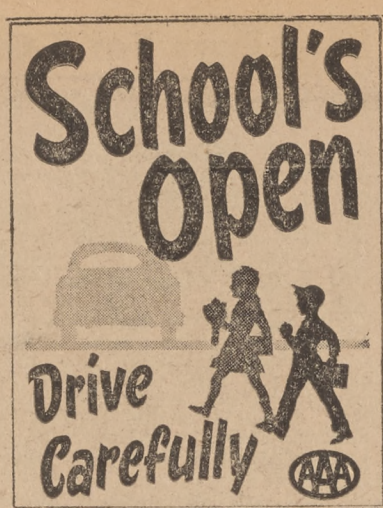

Monday sessions at the junior college will be directed by Allen Scholl. Tuesday night rehearsals at Acalanes will be in charge of Oscar Busch.

THE ORCHESTRAS are a part of the adult education program and are open to anyone interested in ensemble playing with other instrumentalists.

Organized several seasons ago, the two orchestras have taken part in the presentation of oratorios, notably Handel's Messiah which is scheduled again this year.

December 6 the Contra Costa Singers under the direction of George Prall will present the famed oratorio with an ensemble from the Community Orchestra.

Those interested in joining the orchestra are requested to call Acalanes High School or East Contra Costa Junior College for details of registration and meeting times.

Lecture on Army Tactics in Korea

An Army instruction and demonstration team is scheduled to lecture on small unit tactics in Korea at the United States Army Reserve Center, Building T-90, Room 8, Oakland Army Base, on Wednesday at 7:45 p.m.

All military, naval and other persons interested are invited to attend.

Here Are Some Helpful Tips on Which Bulbs to Plant for That Spring Color

If you want satisfying color and hardy plants next Spring with a minimum of effort, the newly developed bulbous plants are sure to please you.

California nurserymen have developed bulbous plant strains that will grow hardily and bloom profusely from March through May and suit every gardener's desires. Moreover, they are versatile, being ideal for indoor culture, as cut flowers and as colorful multi-variety blossoming Spring garden plants.

They require, however, a moist atmosphere and a sunny location. They do not adapt well to extremely dry regions.

TULIPS, HYACINTHS, narcissus, crocus, anemones, yellow callas, tuberous begonias, freesias and some bulbous iris — successful as indoor plants — are equally hardy planted directly into the ground from September through November, allowing them to become established before winter frosts chill the ground.

Tulips and hyacinths as well as the ranunculus are especially sensitive to extremes of damp or dry ground.

If you have had a little difficulty growing bulbs in the past, try this method suggested by the California Association of Nurserymen:

Plant your bulbous plants — your tulips, hyacinths and ranunculus in particular — in pots. Place one bulb to a small pot, or four to five to a six to eight inch pot, in sandy loam fortified with a little bone meal. Leave the pots outside, watering them thoroughly once a week and provide them with adequate drainage.

In the Spring, you may either sink the entire pot in the ground, or — by tapping the edges of the pot — remove the bulb with its compact ball of soil that surrounds it. Press the ball firmly into the earth, watering it carefully to prevent air holes from developing. This transplanting technique is most successful if you confine one bulb to a pot.

Even the most particular bulbous plant, once set into rich soil and kept moist in a well drained bed, will bloom successfully. The early single tulips will flower early in April in brilliant shadings of yellow, crimson, scarlet, dark purple and rose.

THE EARLY DOUBLE cottage varieties are particularly popular because their graceful oval-shaped blooms are excellent for cutting — while the unique parrot-type have huge fringed irregular petals in

Today for a dozen paragraphs I want to use my Poison Pen — as my friend Bob Foley jokingly (?) calls it.

And for a half-dozen graphs I'm going to break one of The SUN's principal policies — and talk about national affairs.

Time magazine reports that the Air Force's answer to Defense Secretary Wilson's \$5 billion cut in its budget is to discharge 15,000 reserve officers.

Time states, "Among those to go will be nearly 2200 pilots, some of whom have checked out in the U.S.A.F.'s backbone jet bomber, the B-47. Firing experienced personnel will have a direct effect on Air Force combat readiness . . ."

The answer to the Air Force could be: "By your dangerous action, you Air Force generals are toying with the very security of the nation you have pledged to defend. To toss out 2200 experienced pilots will drastically weaken our air defense — AND WITHOUT REASON."

That men had to be discharged because of the budget cut is obvious — and probably a darn good idea. But why pilots?

Any person who has been in the service will testify there are thousands upon thousands of men wearing out the seats of their pants at desk work than can be done by at least ONE-HALF the number.

Certainly, there are many more than 2200 officers in special services, public information, personnel, inspection, supply and on and on that could be laid off rather than pilots. And a proportionate number of enlisted men could be discharged from the above-named departments so that GI's directly connected with airplane operations could be retained.

I am convinced that an efficient personnel expert could walk through every Air Force installation and reduce the force by 20 per cent — WITHOUT IMPAIRING the efficiency of the outfit.

Frankly, I was not in favor of the budget cut for the Air Force, which is No. 1 in our defense. The reduction should have been made in the Army and the Navy, as well as the Air Force. They are equally bad, or worse than, the Air Force in waste, corruption and inefficiency.

But the Air Force generals are now playing politics in a move that could have disastrous results in the years to come.

Poison Pen Item No. 2

Within a six-day period, two related governmental units in this area held secret meetings.

Closed meetings were outlawed by the Legislature in the last session. The law specifically states that newspapers and other media must be informed at least 24 hours prior to any special meeting, if so requested, and The SUN did request this months ago. The only exception is that an executive session may be called to consider firing an employee.

We know that certain citizens and certain newspapers (not to mention names) are watching for secret meetings. Action will be taken against any governmental unit holding such meetings.

A Story with a bad smell

W. W. Fletcher was in a tough spot on a recent Saturday morning and the Lafayette Fire Department came to his rescue.

Fletcher, of 39 Los Dedos, Orinda, discovered a frisky skunk under the dashboard of his shiny Chrysler and didn't quite know what to do. Assistant Chief Edwin Maxey and Fireman Dave Crosett answered the four-smell alarm, and the maneuver took place in front of Charlie Offen's hardware emporium.

They first opened one of the front doors and tried to scare the skunk out. But nothing happened.

Fully aware that skunky boy was loaded for action, the firemen put a wire snare (courtesy Offen's) over his head and gently led him out of the car.

Apparently Maxey started to lecture the criminal. Then, whom! Maxey got a tremendous loud right in the face. But Maxey took it like a man and even found a nice creek bed in which to free the skunk.

The SUN says Hats Off

Hats off this week to the Lafayette Community Methodist Church and the St. Paul's Episcopal Church in Walnut Creek. These and most of our churches are wonderful examples of good will and democracy in action.

Some months ago the Jewish residents organized into the Jewish Community Center but had no place to hold Friday night services. St. Paul's Church graciously offered its facilities. These were used until recently when the Jewish group purchased the old Planter's Dock. The first services were held last week.

Without being asked, the Lafayette Community Church volunteered the use of its chairs, which were very much needed and appreciated.

Not too long ago, a similar example of cooperation was demonstrated in Orinda. The newly-organized St. Stephen's Episcopal Church in Orinda was without a house of worship until the Orinda Community Church offered to share its quarters.
